

2025 SEASON REMINDERS

MEMBER ORGANIZATION AGREEMENT

All programs must submit the 2025 Member Organization Agreement in order to request a Certificate of Insurance (COI). This will be available in early December 2024.

PROGRAM LEADER MEMBERSHIP

Our new [Program Leader membership](#) is required for all administrators who access their program's Roster Management portal. Starting January 1, 2025, each member program must have at least one (1) Program Leader member associated with their account. Please contact your Regional Manager to add this role to your membership. There is no additional cost.

- Program Leader membership includes access to our Program Leader Resource Library
- Program Leader members are required to complete the following:
 - Background Check
 - Athlete Abuse Prevention training

BRONZE LEVEL COACH CERTIFICATION

All coaches (head coaches and assistant coaches) must now complete [Bronze Level Certification](#) prior to stepping onto the field.

- Bronze Level Certification includes the following:
 - Background Check
 - Athlete Abuse Prevention training
 - Cultural Competency course
 - Sudden Cardiac Arrest course
 - Concussion Awareness course
 - Rules Test

ROSTER UPLOAD AND VALIDATION

Prior to gameplay, programs must validate memberships for all players and coaches by uploading their rosters into their program's Roster Management portal.

- After uploading, please validate that all players and coaches have active memberships through the end of your season and that all coaches meet the Bronze Level Certification.
- Inactive members (including non-certified coaches) put your program at risk of having insurance claims denied.

PLAYER AGE VERIFICATION

All players are required to complete [Age Verification](#) in order to be active members. Effective July 1, 2025, memberships will be inactivated unless the age verification process is completed.
