Dear Prospective VYB Sponsor:

Vallivue Summer Recreation Program, Inc. is a chartered, Cal Ripken/Babe Ruth Baseball organization that provides an exciting baseball experience for players 4 to 15 years of age. Our objective is to teach the fundamentals of baseball in a fun and enriching environment, while at the same time, enabling our players to develop physical fitness, self-confidence, discipline, and good sportsmanship that will benefit them throughout their lives. Throughout the years, we have taught thousands of children the importance of cooperation, team spirit and leadership in their community.

VYB provides this fundamental service to the children of our district at an affordable rate, but with all non-profit organizations, it takes a lot to maintain our league. Therefore, to continue to provide a fun and encouraging environment for our youth, VYB requires a tremendous amount of support from our community. As a league sponsor your donation will help in the maintenance of the fields, purchasing of new equipment and uniforms, expenses for umpires, and even assist in sponsoring a child who could not afford to play otherwise.

As a non-profit 501(c)(3) organization, our ability to make this program work is dependent on contributions from generous sponsors like yours. VYB would not have been able to provide this opportunity in the past for the community's youth to play baseball without the support of business like yours.

Vallivue Summer Recreation Program, Inc. thanks you in advance for your support and consideration. We look forward to having you as part of our team.

We accept ANY & ALL donations.

VYB does have multiple projects “planned” for the future growth of our league:

We are thankful for our sponsors for their support in 2019 – as we were able to build a new 60'/70' field at Birch Elementary School.

In the future – we are looking at:

A new concessions stand at our Central Canyon complex, complete with bathrooms onsite, meeting space on second level and much needed storage space. We do have bids on this project for around \$65,000.00. This will allow and open up opportunities to HOST State & Regional tournaments in the future.

A new concessions stand at our Sasaki Field complex, complete with bathrooms onsite, meeting space on second level and much needed storage space. We do have bids on this project for around \$65,000.00. This will allow and open up opportunities to HOST State & Regional tournaments in the future.

New Batting Cages that will allow kids to hone their skills. This will be roughly \$10,000.

New, Indoor facility to practice and train year-round. Bids for this are around \$85,000.

Upgrades & Improvements to landscaping and fields. Plant trees for shade as well as bring in new pumice on playing surface. Bids for this are currently coming back around \$15,000.- \$20,000.
