

WELCOME BACK TO THE CLINTON ARENA!!

We would like to thank everyone in advance for your continued support and following the new guidelines.

It is our commitment to REMAIN OPEN and have a safe and healthy environment for our friends and families.

PRIOR TO ARRIVAL:

1. Come dressed with minimal need for change. **Please let your group know ahead of time to come dressed.** Goalies can use the end of the halls for added space. **NO LOCKER ROOMS WILL BE AVAILABLE AT THIS TIME.** If a skater needs a private space to change, ONE set of bathrooms will be available for 10 minutes prior to ice time and 10 minutes after ice time.
2. **Sign in roster** must be completed ***PRIOR TO ENTRY.*** The names on the roster upon entry, are the names that will remain in the facility for the duration of the rental. (Mites & Squirts may want to have a parent helper)

UPON ENTRY:

1. Doors will open **TEN MINUTES PRIOR** to your ice rental. Do not show up earlier. It may be cold, raining or snowing. Please stay warm, safe and in the car until then. (If your ice time is at 9:00....Doors will open for entry at 8:50)
2. **Give Arena Employee your roster** with all participants and coaches listed.
3. **Participants MUST arrive on time.** Arena employees will not wait at the door for late arrivals. They have other work that needs to be done. If you know you are going to be late, let your coach know, so they can communicate that to the arena and we will check for late comers, 10 minutes in.

4. **MASK UP!** All who enter the arena **MUST** be wearing a mask, so that temperature can be taken. Masks must be worn at all times except when going to the ice with your helmets on.
5. **NO SPECTATORS** – Only the 20 or less people on the list will be allowed in the arena for the specific session. There are numbers on the hall walls for designation. The upstairs is blocked off and there will be no standing in the well. **NO skaters** will be allowed on ice until a coach is on ice.

ONCE INSIDE:

1. You will **INITIAL** the roster, have your temperature checked, remain at a safe distance until the gate opens and then proceed to assigned benches in the hall.
2. **Ice Time:** If ice is ready and your coaches are ready you may be able to jump on ice a little early. **REMEMBER, ice slots are 50 minutes (unless more time was rented).** If you used any equipment on the ice for training or drills... **You MUST use the last couple of minutes of YOUR slot to clear the ice of pucks, equipment etc., so that the ice cut can stay on schedule.**

AFTER YOUR RENTAL:

1. **10 MINUTES** to remove skates, gather belongings and exit facility.
2. **EXIT** – all skaters and coaches must exit the side door to the parking lot.

All rules must be followed.

**If not followed your group will be asked to leave for the session.
If continues, disciplinary actions will result in loss of ice time.**

THANK YOU
