FREQUENTLY ASKED QUESTIONS

Q: The reasons for my Appeal Application include allegations that pertain to the Code of Conduct involving an Association and/or individual, is this information considered by the Committee?

A: Allegations involving matters pertaining to the OMHA Code of Conduct will not be considered by the Committee unless a Code of Conduct Complaint has been filed and that process has been completed by OMHA Risk Management. OMHA Appeal Committees are not in a position to make decisions that involve matters not vetted through the Risk Management process. Appellants are advised to deal with the Code of Conduct allegations before filing an Appeal.

Q: I have filed an Appeal Application, when will I receive confirmation of receipt?

A: Every effort is made to provide confirmation of receipt of your Appeal Application within 48 hours **following the filing deadline** for the next hearing date. However, there are occasions when the seasonal workload is at a higher volume and this notification may be delayed beyond the initial 48 hours.

Q: Who is notified that I have filed an Appeal Application?

A: Any OMHA Association affected by the outcome of your Appeal's decision will receive notice and a copy of your Appeal Application. They are deemed to be the Respondent(s) and as such may submit a written response stating their position and/or attend the Appeal Hearing. The OMHA Regional Director responsible for any of the responding Associations involved will also be notified and receive a copy of your Appeal Application and may provide a response and/or attend the Hearing.

Q: If a Respondent or OMHA Regional Director submits a response will I be provided a copy of the response ahead of the Appeal Hearing?

A: Yes, you will be provided a copy of any response received from the Respondent(s) and/or OMHA Regional Director.

Q: When will I be notified of the confirmed date and time of the Appeal Hearing?

A: You will be notified of the confirmed date and time for your Appeal Hearing by end of day on the Thursday prior to the tentative hearing date.

Q: Am I required to attend the hearing?

A: Yes, your attendance at the hearing is required

Q: Where do the Appeal Hearings take place?

A: All Appeal Hearings will be held by video conference call.

Q: The Appellant is my child, should they attend the Appeal Hearing?

A: If the Appellant is a child the Committee encourages them to attend the Hearing, however, this is a parenting decision. You are best qualified to make that determination.

Q: Is the Appeal fee refundable?

A: The Appeal fee is non-refundable; however, OMHA Regulations do provide for the granting of a refund of up to fifty (50) percent of the appeal fee. The granting of this refund is at the discretion of the Committee. If it is the decision of the Appeal Committee to grant a refund, notice of this will be included in the Committee's written decision.

Q: Can I bring legal counsel or other persons with me to the Appeal Hearing?

A: While you may bring legal counsel and other persons with you to the Hearing the Committee will be addressing the Appellant and/or the parent of the Appellant.

Q: I've never attended an OMHA Appeal Hearing before, what can I expect?

A: The OMHA has three (3) separate Appeal Committees assigned on a rotating basis to consider Appeal Applications. While each Chair has their own process for conducting their Hearings they generally follow a similar format:

- Introductions
- Opportunity for the Appellant to outline their Appeal
- Opportunity for the Respondent(s) to state their position
- Questions from the Committee
- Wrap up by the Appellant
- Wrap up by the Respondent(s)
- Closing instructions from the Chair of the Committee

Q: How and when will the Committee's decision be communicated?

A: The Committee's decision will be sent by email to the email address provided in your Appeal Application. There is no set timeline on when the decision must be communicated. In general, you can expect a decision within two weeks but this can vary as there may be follow-up that needs to be conducted by the Committee following the actual Hearing, or, workload that may delay the completion of the written decision.
