## CONCESSION STAND VOLUNTEERS NEEDED

We are in need of volunteers to help run our concession stand during league games on Tuesdays and Thursdays.

By volunteering for time slot(s) throughout the season, you will be making valuable contributions to our program and helping to ensure that concessions are available for all to enjoy.

It's a great way to get involved, meet other KSO families, and show your support for our players.

Please consider signing up for a time slot and help us make this season a success.

## ENHANCE YOUR PLAYER'S SKILLS IN PITCHING, HITTING, DEFENSE & CATCHING

Many families have been inquiring about softball lessons this summer. If your daughter loves softball and wants to boost her skills, we have several options for lessons this season: Chris Delorit, a long-time softball coach and the current Kimberly JV coach, is offering pitching lessons at an affordable price. Chris has an impressive background, and he can help players sharpen their pitching skills and elevate their game. Please contact Chris at [ceeds17@proton.me](mailto:ceeds17@proton.me) if you want to know more about pricing and lesson availability.

Meghan McGinnis and Lilly Hurt, former Kimberly softball players and current college softball players, will also be offering lessons. Meghan will concentrate on defense and hitting and Lilly on catching. The cost for these lessons is very reasonable. Please look for more information in the next few weeks as these girls wrap up their seasons and come back home for the summer.

## KSO 2024 Season:

## Representing Kimberly with Positivity and Sportsmanship

We are super excited to begin the official 2024 season for KSO! As we head into the season, please remember players are just kids, coaches are 100% volunteers and umpires are human (and often very young). Please represent Kimberly well and stay positive throughout the season. There will be times when your patience is tested, and you will witness other adults from other teams acting very inappropriately. Let them do whatever it is they need to do and rise above that. Take a deep breath, take a walk; whatever it is you need to do to ensure we are keeping a 100% positive culture within KSO. Thank you.
