

Dear Respected Menasha Athletics Supporter,

The Menasha Boys' Hoops Club is trying to raise money for various causes, which will benefit the entire program, such as: Youth club jerseys, equipment & facility upgrades at our local schools, entry fees into basketball tournaments for our youth club teams, new backboards/hoops at Menasha Schools, new basketballs for all levels along with many other expenses.

Since the hoops club was organized, our goal has been to enhance our programs that are dedicated to boys' basketball in the city of Menasha. While building successful teams is a target goal, we are also positively influencing young men teaching life skills such as how to work together as a team, communication and social involvement, how to deal with adversity, accountability, life and problem solving skills to name a few. These young men are potential employees and customers in our community. We believe that creating successful athletic programs is beneficial to the long term health and growth of the youth in our city. Your donation would be helping to positively influence the youth in our community and Head Coach of the Menasha Bluejays, Sam Koslowski, would like to personally thank you for your generous donation!

We would like you to consider the three options we've put together to choose from:

- **Freshman (\$25 to \$99)** – The Freshman Level includes your company name and logo listed on our raffle calendar, which is sold to hundreds of people throughout the Fox Valley area and the state. Name of company mentioned at halftime as a supporter of Menasha Boys Basketball!
- **JV (\$100 to \$399)** – The JV Level includes your company name and logo listed on our raffle calendar, which is sold to thousands of people throughout the Fox Valley area and the state; and company name and logo and a link to your website on the MenashaBasketball.com website.
- **Varsity (\$400 or up)** – All of the information from the previous levels. We are also willing to work with your company and place an insert to be put into the program of our game on a certain night with information about your company.

If you have any questions at all please contact me anytime via phone or email, both listed below.

Sam Koslowski
