

Lake Region Figure Skating Club's Volunteer Information

Many volunteers are needed to help our clubs success. If you see an area that especially interests you please reach out to a board member. The club's families are required to volunteer 5 hours per family or pay \$250 for events listed but not limited to the Skate USA competition, Family ice monitors, locker room cleaning, and locker room renovation. For all families who participate in the Annual Ice Show, a separate 5 hours per family or a \$250 buyout will be required for all Ice Show participants.

All volunteer needs will be listed for families to sign up using signup genius and posted in emails and on the club website. All families who do not meet the required volunteer hours will be accessed the proper \$250 fee.
