

# ICE CATS HOCKEY

If you are looking to play hockey and you don't want the stress of 4 days of hockey, or if you are done with high school, we have a league for you. U19 hockey is here for your hockey needs. We are looking for girls ages 16-19 years old.

We are a 4-5 team league and play 20 regular season games with a State Tournament in March. This league is a fast pace high intensity league with great players around the league.

Blaine Youth Hockey Association is the Host Association, so we practice out of Fogerty Ice Rink, National Sports Center and the Centennial Sports Arena. Registration will soon be open, go to [BYHA.org](http://BYHA.org)

Feel free to contact myself Joe Gratz (Coach) [hockeydad399@yahoo.com](mailto:hockeydad399@yahoo.com) with any question that you may have. We will start practicing in October with games starting in December and playing through March.
