Matthew Tkachuk, an alternate captain for the two-time defending Stanley Cup champion Florida Panthers is serving as an alternate captain as is Charlie McAvoy, who is an alternate captain for the Boston Bruins. TIDBITS FROM PREVIOUS GAME NOTES

The U.S., Sweden and Canada are the only three teams in the Olympic tournament made up exclusively of NHL players ... Feb. 17 marked the anniversary of the U.S. Olympic Women's Ice Hockey Team earning gold in the 1998 Games, the first time women's hockey was ever played in the Olympics. Former USA Hockey president **Walter Bush** is credited as the driving force for adding women's hockey to the Olympic program. In 1998 there were just more than 28,000 female players competing within USA Hockey and sometime in the next two weeks it is expected that for the first time ever, that number will eclipse 100,000 ... **Dan Mayasich**, son of legendary U.S. Olympian John Mayasich, arrived in Milan on Feb. 17 and is here for the duration of the Olympics. John Mayasich, always in the conversation when pundits talk about the best American player of all-time, helped lead the U.S. to its first gold medal in men's hockey in 1960 and also was part of the 1956 silver-medal squad in Cortina, Italy ... **Mike Eruzione**, captain of the gold medal-winning 1980 U.S. Olympic Men's Hockey Team, arrived in Milan on Feb. 19 and will be here through the duration of the Games ... The U.S. had three full practices and a morning skate prior to its opening game ... Team USA includes just two players with Olympic experience in defenseman **Brock Faber** and **Jake Sanderson**, both who were part of the 2022 U.S. Olympic Men's Ice Hockey Team. Said Faber, "Its my second time, but it feels like the first." The 2022 Beijing Games were the "COVID" games and played in a "bubble" without friends and family ... **Ellen Hughes**, mother of Jack and Quinn Hughes, is the performance consultant for the U.S. Olympic Women's Ice Hockey Team. Ellen played on the 1992 U.S. Women's National Team and has been working with the U.S. Women's National Team program since October 2023 ... **Pat Kelleher**, executive director of USA Hockey, arrived last Thursday (Feb. 5) and is here for the duration of the Games. His brother, Chris, is the director of player personnel for the U.S. Olympic Men's Ice Hockey Team ... **Mike Trimboli** (Massena, N.Y.), president of USA Hockey, arrived today and will be here for the rest of the Games ... U.S. defenseman **Quinn Hughes** likes to read, but shares that he doesn't read on game days, calling it bad luck ... A good number of players had the chance to meet **Snoop Dogg** on Feb. 10 in the Olympic Village. Snoop is serving as the honorary coach for the entirety of Team USA and came to the U.S. athlete resource center to show support and provide some words on inspiration ... **Brij Singh**, who is serving as team leader of the U.S. Olympic Men's Hockey Team for the second straight Games, is believed to be the first Turban Sikh to be part of any Winter Games official team delegation ... Players have taken the opportunity to go to women's hockey, speed skating and figure skating while here in Milan.

OPENING CEREMONIES; MEETING VICE PRESIDENT

Charlie McAvoy, Jeremy Swayman, Jake Oettinger and Zach Werenski flew over ahead of the rest of the team to attend the Opening Ceremonies. The trio left NYC the evening of Feb. 5 and arrived in Milan the morning of Feb. 6. The next day (Feb. 7), the four had a private audience with U.S. Vice President Vance and then went to the Starbucks Winter House to sit down to do enjoy lunch and do a few select interviews. The rest of Team USA arrived in Milan on Feb. 8.

ALL-TIME IN OPENING GAMES

In its first game of an Olympic tournament, the U.S. is 12-0-2-8-3 (W-OTW-OTL-L-T), including a 5-1 win in its first game of these 2026 Olympic Winter Games. The U.S. has won five of its last seven Olympic-tournament opening games.

Matthew and Brady Tkachuk had a fun five-minute exchange with Elmo from Sesame Street yesterday in the Olympic Village. The piece can be found on Sesame Street social channels.

BROCK NELSON AND THE OLYMPICS

Brock Nelson is part of one of the most storied hockey families in the U.S. From Warroad, Minnesota, Nelson is the fifth member of his family to play for the U.S. in the Olympic Winter Games.

- His grandfather, **Bill Christian**, and great-uncle, **Roger Christian**, won gold at the 1960 Squaw Valley Olympics.
- His uncle, **Dave Christian**, was a standout on the "Miracle on Ice" team that earned gold at the 1980 Lake Placid Olympics. Dave is here in Milan with his wife Lisa for the duration of the Games.
- His great-uncle, **Gordon Christian**, earned an Olympic silver medal as part of Team USA in the 1956 Games in Cortina, Italy.

Business Enterprise

Bill and Roger Christian founded the Christian Brothers Hockey Company, which manufactured hockey sticks in 1964, before selling the company in 2002. In the mid-1980s, the company produced approximately 500,000 sticks annually and was known for manufacturing wooden sticks used by NHL legends like Bobby Hull and Bobby Orr.

WHAT'S IN A NICKNAME

Team USA equipment manager **Chris "Frosty" Scoppetto**, who has supported multiple U.S. teams on the international stage over the course of his career, got his nickname from Brad McCrimmon back in 1996. The nickname originated while Scoppetto was working as an assistant equipment manager for the Phoenix Coyotes. He was consistently seen alongside Coyotes player Keith Tkachuk, leading McCrimmon to compare their close pairing to that of former Bruins trainer John "Frosty" Forrester, who was famously always with Bobby Orr. Scoppetto is the godparent to Keith Tkachuk's daughter, Taryn.
