# *Role Model of the Game Awards*

### YOUR TEAM'S HONOR THE GAME AWARDS FOR EACH GAME

- Each Coach will select a player at the end of each game as their "Role Model of the Game"
- Team Managers will pick up awards for all their guaranteed games from Tournament host prior to the games.
- The coaches select their player and award them the award after the game. This isn't necessarily the "best" player or Player of the Game - it is a player who plays the game the right way honoring and respecting ROOTS - Rules, Opponents, Officials, Teammates, and Self.
- The Team Manager is responsible for taking a picture of the winner and posting it on social media so that CAHA and other organizations can share it.
