

Field Code of Conduct

1. **RED FLAG** – means **NO** use of the field, no conditioning, no running drills, NO USE.
 - a. If there is a game scheduled and the flag is red you (coach) will receive a call/email from Gary/Diane/Dave letting you know if the field can be used for your game.
 - b. You can find the FLAG color at www.saboosters.org
2. **Goals/Nets** – MUST be pushed off the field and **locked up** after each use. Please **DO NOT** give out the lock combination, those are to remain **ONLY** with the coaches and the goals are to only be unlocked and used by a St. Anthony Boosters Soccer team.
3. **Remove** all **trash** from the field, this includes wrappers/water bottles/pop bottles – do not leave any trash on the field (even if it isn't yours, please pick it up and take it with you).
4. When practicing **kicks on the goal** – i.e. running drills, do NOT place the goals in their game position. Run drills side to side on the field. This will help reduce the wear/tear on the goal area for games.
5. Coaches will ensure their players do not climb fences to gain access to any field.
6. There are **NO practices** on the **high school stadium field**.

By signing the below you acknowledge you understand the above rules and will abide by the rules. Failing to follow these rules will result in your team losing use of the facilities (practice and games) as well as fines to the Booster Soccer Organization.
