6. In the past 14 days, have you been in close proximity to anyone who has been on a commercial flight or traveled outside of the United States?

## PYA DAY CAMP GUIDELINES

SUBJECT TO CHANGE BASED ON STATE AND LOCAL GUIDELINES

### PHYSICAL DISTANCING

- PYA will follow NY State physical distancing guidelines & parents will be notified if there are any changes to current policies.
- Employee and player groupings will be as static as possible by having the same group of players stay with the same PYA staff whenever and wherever possible.
- The groups of up to 15 players will have no or minimal contact with one another.
- In small areas where social distancing cannot be maintained, such as the restroom (which will be open and cleaned and sanitized before, during and after the camp day), signage will restrict occupancy.
- No handshakes, physical celebrations or huddles will be permitted.

### PROTECTIVE EQUIPMENT

- Any time that employees/coaches are less than 6 ft. from each other or interacting with campers, they must wear a face covering.

- Players are not required to wear a face covering on the field.
