Good afternoon TEAM MANAGER,

I am reaching out today as we have made the difficult decision to cancel the remainder of the Minnesota Wild Adult Hockey League winter session due to public health concerns linked to COVID-19. Please know that this decision didn't come lightly and we wanted to attempt to try and keep your season going through a reschedule. The decision was made to ensure that the health and safety of our players, coaches, referees, employees and fans continue to be our number one priority. With the uncertainty of when we will be allowed to reopen the facility you will have the following three options for remaining balances of the winter session:

1. Your team can receive a credit for the pro-rated amount of registration per the amount of games played. This credit can be used for the Minnesota Wild Adult League Fall Session (2020) or the Minnesota Wild Adult League Winter Session (2021). For either session, your team will be responsible for the remainder of the balance due for those sessions at the time of registration.
2. Your team can receive a refund for your event entry. Refunds will be 85% of pro-rated total. Refund will be credited to your account by no later than December 31, 2020 with the attempt that we will refund teams as soon as we are able
3. Your team can donate. If you want to support the National Sports Center Foundation during this time of crisis: all or a portion of your registration fee can help ensure programs, leagues and tournaments are available for all to continue to enjoy in the future. With this option, your fees become tax-deductible donations to the NSCF. You will receive a tax letter for the amount you donated.

Cheryl and I will be reaching out with your credit for winter session by Tuesday April 14. After that teams will be asked to respond with their selection of options so we can adjust the registration.

Additionally, if your team participates in summer session. We are evaluating the impact of COVID-19 at this time, we will attempt to host a summer session as soon as we are able to re-open our facilities. With the unknown of when that is, we will be following up with a registration link in the near future that requires \$0 deposit. When we are able to reopen the facility we will email those teams registered to confirm that they would like to participate in a modified summer season.

Thank you for your support of the National Sports Center, we look forward to seeing you on campus in the future.

Jacob Mars  
Sports and Recreation Coordinator
