Adding a Guardian in Sports Engine

Adding a Guardian

The person who's being added as a guardian of a player will need to create an account at www.RAMMS.org

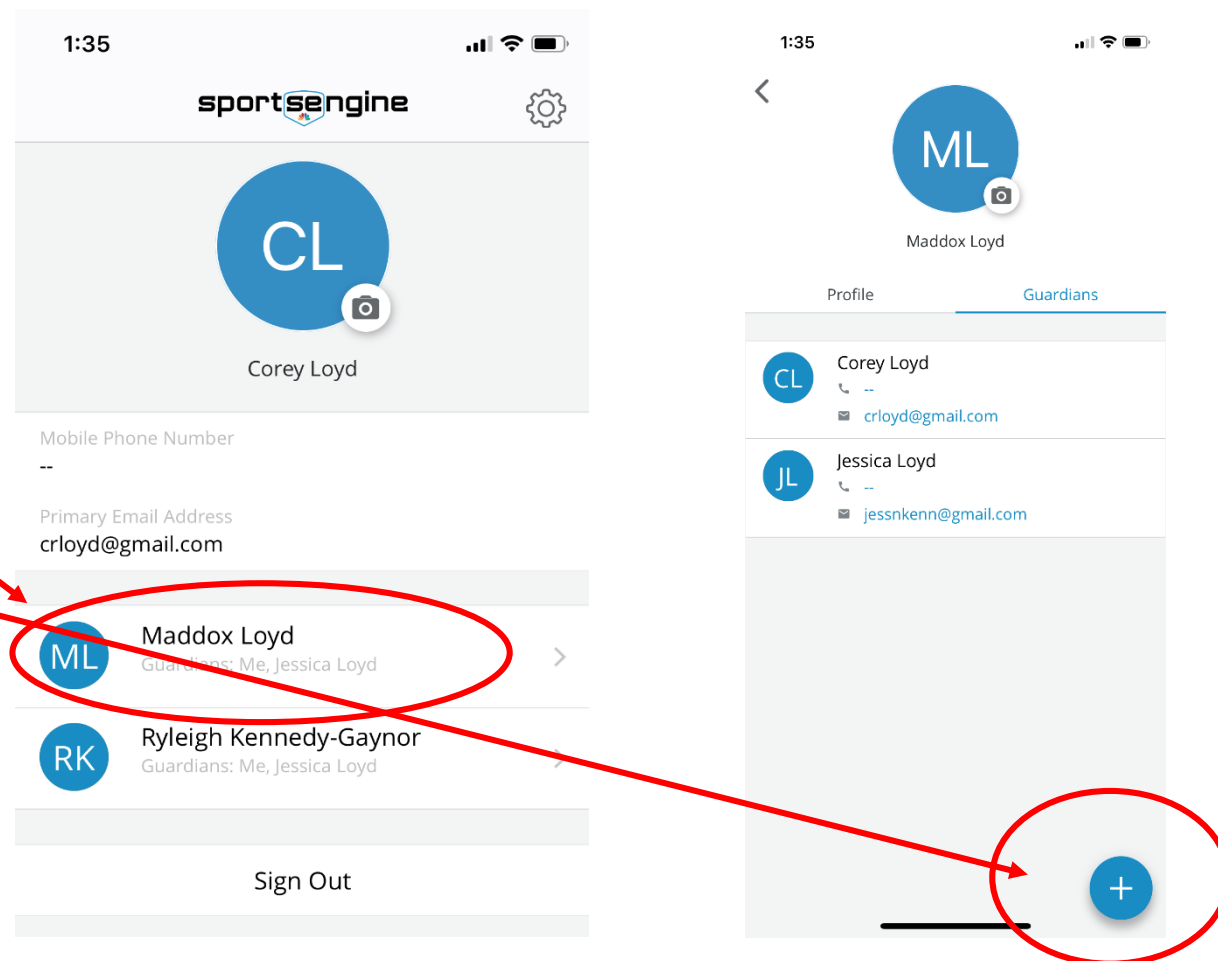

- The current Guardian that has access will open the Sports Engine app
- Tap Account in the bottom right corner of the team's home page

Adding a Guardian Cont'd

➤ Tap the player's name who you want to add a Guardian for

➤ Tap the + sign in the bottom right corner

Adding a Guardian Cont'd

➤ Tap Add Guardian

➤ Enter email address of Additional Guardian (same one used To create Sports Engine account)

➤ The Guardian that was added will receive an email asking them to confirm that they are a Guardian of the player. Once this is done, they Will have Guardian access to the player's profile
