

Financial Aid Request

SKPW offers financial aid for 50% of the total registration cost for ONE participant per family. This is so other families in the SK community can be afforded the same help, if needed.

Financial aid will be granted on a case-by-case basis, depending on the needs of the family as well as the number of requests received by SKPW. All financial aid requests are for the current sports season that the request is for. Once the financial aid request has been approved, a discount code will be emailed to be used in the shopping cart section of the registration form. *Note: No financial aid requests will be considered for late registrations. *

All approved requests MUST complete 12 hours of volunteer service by the halfway point in the current sports season. If the volunteer hours required are NOT completed by the halfway point, then the 50% of the registration fee that was discounted will be billed directly to the recipient of the financial aid and will be expected to be paid no later than the last game of the current season. If the discounted amount is not paid by the last game of the season the child will not be permitted to participate in the next season until the amount has been paid.

The following list is the volunteer services that the parent can perform that will gain the required 12 hours of volunteer service. *Note: The final three tasks will be expected to fill out a time sheet that an SKPW Executive Board Member will have to sign off on. *

- Register to be the head coach for the child’s sports team/squad.
- Register to be the assistant coach for the child’s team/squad.
- Register to be the team/squad mom/dad.
- Register to be the child’s team game manager.
- Register to be on the chain crew during every home game for the child’s football team.
- Register to be the child’s team photographer/videographer.
- Work in concessions for four (4) practices and two (2) home games.
