

ONTARIO SOCCER MENTOR PILOT PROGRAM ANALYSIS

U9-U10 REFEREES

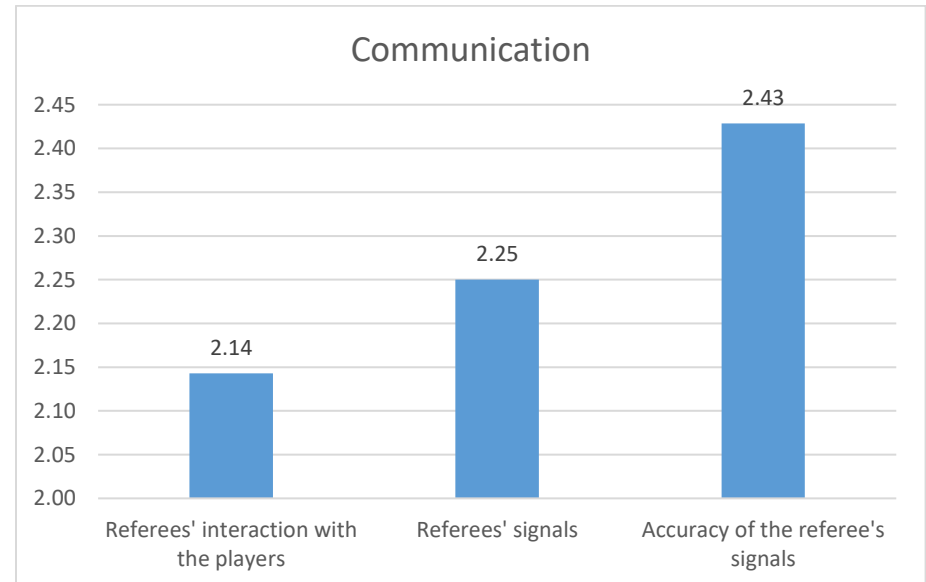

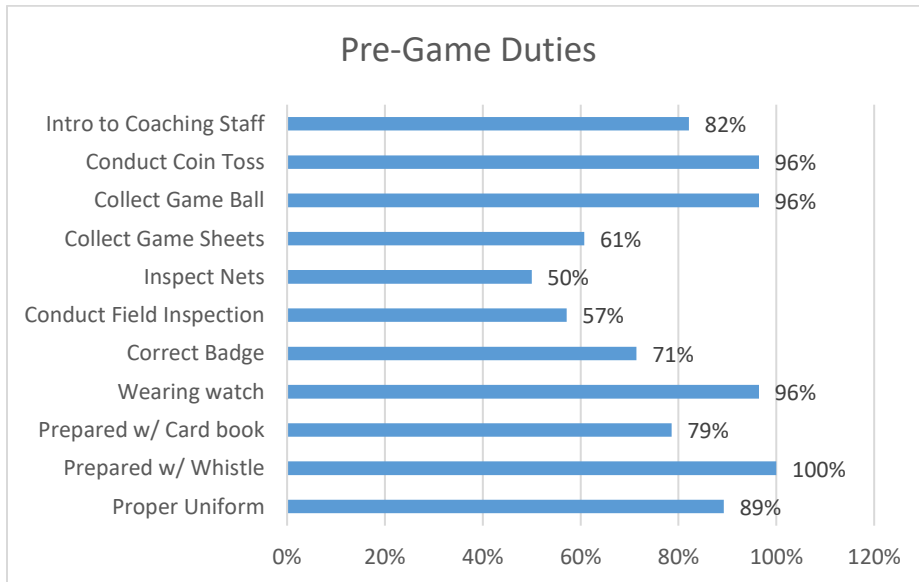

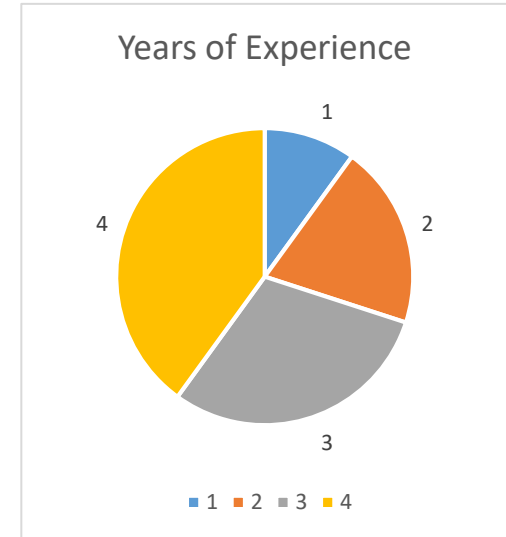

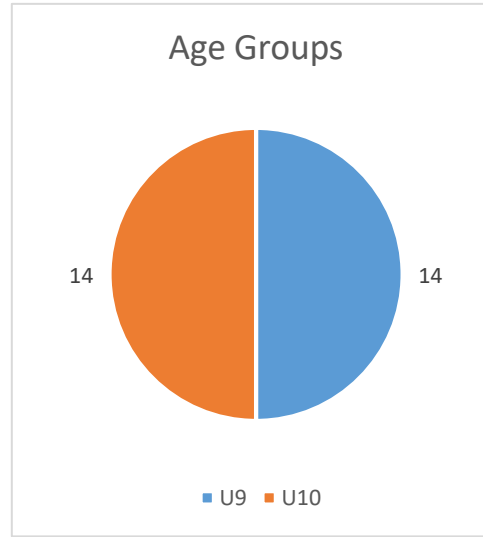

Data Analysis

Match Official performances were based on a 3-point scale system:

- Development Area
- Good
- Strength

In most cases, any item, which materialized a rating under 2.00 within their respective categories, were areas that determined required education points.

The following data analyses those Referees who officiated a game between the U9-U10 age groups.
