

May 29th, 2025- Last Call Summer Hockey- Little Wild Program

Good morning NHA Families-

We hope everyone had a great Memorial Day Weekend!

With the deadline for **Summer Hockey** being on a Holiday weekend we wanted to give everyone an extra couple of days to get their registration completed - *deadline to register for the first session is Friday, May 30th*. If you are still interested in Summer Hockey you can register [here](#).

NHA will be hosting the Little Wild Program again!

The Minnesota Wild, Minnesota Hockey, CCM, Pure Hockey, NHL, and NHLPA are pleased to announce that the 13th Annual Little Wild Learn to Play program will return in the Fall of 2025. The Little Wild Learn to Play program will be available for approximately 1,400 boys and girls at 22 locations across the State of Hockey.

The Little Wild program is intended for first-time hockey players aged 5-8. Eligible participants must be between the ages of 5-8 as of December 1, 2025. The program is intended for boys and girls who have not previously participated in organized youth hockey programs. Children who have participated in past Little Wild programs are also not eligible to participate. Those in violation of these rules will not be allowed to participate and their registration fee will not be refunded.

All participants will receive four one-hour on-ice sessions led by the Minnesota Hockey ADM team and a full set of CCM hockey equipment.

Kids who do not have skating experience are strongly encouraged to take skating lessons prior to their first Little Wild on-ice session.

All participants will be invited to attend a pre-season Wild game at Xcel Energy Center for the 2025-2026 season. Little Wild participants will each receive a FREE ticket to a designated game and have the option to purchase additional tickets through a special ticket offer.

Registration for the 13th Annual Little Wild Learn to Play program opens Tuesday, May 27 at 10 a.m.
