**Fundraising:**

We received good feedback about the Calcutta change. We plan to continue with the Barn/Harvest dance.

- Fundraising committee would like to start soliciting for auction donations in January. This will give plenty of time to obtain donations for next years event.
- Check on other venues in the event the Field Day's barn is not available next year.
- The legion is booked as a backup, but is really too small for what we need.

Ashley has been looking into grants for MAHA. Ashley and Angela will research and put in for the grants and let the board know details. Look for grants that will provide developmental enhancements for players and coaches.

Angela/Ashley mentioned signing MAHA up for Amazon Smiles. When people make amazon purchases, a portion of the money would go to MAHA.

Angela mentioned doing a food drive around the holiday's. Positive PR for MAHA!

Pizza orders – no later than Thursday 10/28.

Krispy Kreme – Judy needs the fundraiser to be completed by January 1 in order to get final bills taken care of before states.

No pie sales this year. The baker is unable to fulfill large orders due to being short staffed.

Idea for next years barn/harvest dance – ask each level of play to provide a basket for the silent auction? Work on details and monetary amount for each basket.

Possibility of selling baskets at HS home games? Sellers could get general hours.

**General Housekeeping:**

There will be no locker rooms this weekend for games. 10/30, 10/31. The Rec is doing a haunted Halloween event and is using the locker rooms.
