

AGE WAIVER

Sometimes a player's date of birth will require him/her to compete on a team that matches the player's USA Volleyball age division but is "older" than the player's current grade in school. Because of this, North Country Region has an age waiver/grade team policy to allow junior club directors the opportunity to request an AGE WAIVER so that a player who is in this position can be placed on a roster of players who are in the player's grade but are in a younger age bracket.

Each club makes their own policy on if they will accept a waived player.

Each tournament director makes their own policy on accepting grade teams.

Waivered Player is a junior player who has received an age waiver to allow the player to roster on a team

- that is classified as an age division younger than the waived player USA Volleyball age division
- that is the same grade as the waived the player

REQUEST AGE WAIVER

The Club Director must email North Country Region to request that a player be considered for an age waiver so that the junior player can be placed on younger age division team. The team will be a grade team and denoted as such with an asterisk * after the team name. example, **GRADE team name***

Email To: NorthCountryRegion@ncrusav.org

Request must contain ALL the following information:

- Club Name
- Club Code
- Team Name that will be a *grade team
- Player Name
- Player Date of Birth
- Player Current Grade
- Player Uniform Number
