NOTES

- MLK weekend was avoided for Power League due to potential conflicts with other larger events.
- We are aware of the conflict on Sunday, February 7th (Super Bowl).
- Presidents Day weekend was avoided for Power League due to conflicts with other larger events.
- Sunday, April 4th (Easter) is considered a contingency date for Power League if needed.
- Sunday, May 2nd is considered a contingency date for Power League if needed.
- Mother's Day weekend was avoided for Power League due to potential conflict with other events, but may become a contingency date if needed.
- The weekend of May 15-16 is a contingency weekend if needed.
- Memorial Day weekend was avoided for Power League due to potential conflicts with other larger events.
- We are aware this schedule presents a couple potential conflicts with National Qualifiers. Teams may miss a PL date to attend a National Qualifier per the policies in the Junior Handbook (Section 6.8.2). Not all Qualifiers have announced their dates as of this writing. Most of the conflicts impact the 12s and 14s divisions, which was one of the considerations for adding PL 4 in those ages.
- As of now, we have no plans to extend the season beyond June 11-13, 2021.
- Platinum League in the 16s and 18s is cancelled for the 2020-2021 season.
