II. U12 Division

- U12 age group is split into two divisions: Mountain and Front Range. At the end of season tournament, the top 3 teams in each division will qualify.
- Each U12 team plays 16 league games. Front Range and Mountain league teams are encouraged to play non-league games with each other if scheduling allows.
- Mountain division teams have expressed concern about travel being three or more hours. The league will see how this season goes and revisit the travel matrix next year.

III. Scheduling Follow-up

- Reminder to associations to enter their home games.

- Cathy Glynn says neutral ice games have not all been entered so please get those entered.
- Away teams, please double check the schedules for any errors.
- Question was asked regarding how many teams are playing on holiday weekends due to a lack of weekends available. Steamboat, West Elk, Durango, Salt Lake, New Mexico, Colorado Select and Vail are all playing on holiday weekends.
- Discussion regarding AA conflicts. Scheduling around AA has been problematic for our rec teams.

IV. Miscellaneous but Important Comments

- Tie breaker rules for end of season tournament: We haven't finalized these and need to follow up with Scott Harris. Shannon will take the lead.
- Scott Glynn is willing to be our temporary CAHA representative if there is a call-in option.
- Declarations: How do we avoid teams having to drop out after they've already declared and scheduling has started? Do we need to declare earlier?
- MSGHL Board Elections are in May. Please consider taking on a position.
- Shannon made a game operations cheat sheet and it is posted on MSGHL.net. Associations are encouraged to print it off and put in scorer's box.
