

Guidelines for the 2020 OK Kids Baseball Association Season May 11, 2020

OK Kids intends to play the 2020 baseball and softball seasons, as outlined below, if conditions allow. This decision is based upon Oklahoma's "Open Up and Recover Safely" plan published on April 22, 2020. Phase 2 of the plan, effective May 15, states that "organized sports activities can reopen and operate under proper social distancing and sanitation protocols." Phase 3 of the plan, proposed for June 1, states that summer camps (church and school) can open.

The safety, health and well-being of all of our participants, players, coaches, umpires, parents, guardians and volunteers, is our top priority. OK Kids understands the need to return to a sense of normal life, therefore we are hopeful to play this season. To assist us in accomplishing this, we have reviewed guidelines and decisions of USSSA, Little League Baseball, Babe Ruth League, Pony League Baseball, Dixie Youth Baseball among others. While many of these organizations have canceled their national and international tournaments, they are planning on proceeding with regular league play and some state tournaments.

1. Neither OK Kids nor any governmental or health authority can guarantee the safety of any participant in baseball or softball. Each individual parent and/or guardian must self-determine if they feel it is safe for their child and/or themselves to participate in the 2020 season. All participants are acknowledging that they knowingly and freely assume all risks.
2. Any team, local organization or league participating in the 2020 season must follow all local, state and federal governmental and health guidelines to participate. If your local community says that you can't play baseball or softball this summer, then you can't participate in OK Kids.
3. To repeat, if you don't believe it's safe to play this summer or if your community will not allow play this summer, you cannot participate in OK Kids in 2020.

4. If you choose to play and are allowed to play in your community, here are some guidelines to follow. (This list is not all inclusive and several more safety measures could be implemented.)
 - a. Follow all health and sanitation guidelines for facilities and events.
 - b. Create social distancing with designated seating areas.
 - c. Eliminate personal contact such as handshaking and high fives.
 - d. Have each team provide balls for their team to pitch and field.
 - e. Discontinue the use of team water coolers. Require each player to have a personal water bottle.
 - f. Minimize contact during the exchange of lineups and the home plate pre-game meeting. Limit the meeting to coaches and umpires only with no players.
 - g. Spread out the dugout seating. If necessary have players sit outside the field. Do not compromise player safety, though.
 - h. Have antibacterial wipes and hand sanitizer available at all times.
 - i. Allow players, coaches and umpires to wear personal protective equipment, such as masks, at all times.
 - j. Clean and sanitize dugouts regularly.
 - k. Adjust playing times to allow more times between games in order to reduce the number of people at a facility at any one time.
 - l. Discourage the practice of sharing equipment.
 - m. Limit person-to-person contact as much as possible.
 - n. Display signage to promote social distancing and healthy practices.

5. Individual leagues can determine how to conduct their 2020 regular season. For example, a league can eliminate regular season league play and only have a league tournament to determine its playoff qualifiers
6. If a league decides to not participate in the 2020 season, individual teams can register with OK Kids as “At Large” teams. These teams must follow all OK Kids guidelines. OK Kids reserves the right to accept or deny any team applying for “At Large” status.
7. Rescheduled 2020 Dates
 - a. June 1 (Monday)...Registration is due. Requests to host Regional Tournaments and bids to host State Tournaments are also due by this date.
 - b. July 3 (Friday)...Playoff qualifiers reported to OK Kids.
 - c. July 6-7-8 (Monday, Tuesday, Wednesday)...Playoff tournament assignments and brackets will be determined. They will be released no later than Thursday, July 9.
 - d. July 13-18...Regional Tournaments for Baseball and Tee Ball and State Tournaments for Softball will be held this week.
 - e. July 20-25...State Tournaments for Baseball and Tee Ball will be held this week.
8. If OK Kids determines that conditions are not safe for play in 2020, OK Kids reserves the right to cancel the season at any time. Additionally, if OK Kids determines that the participation in any particular age group is so small as to create a financial hardship for OK Kids, then we reserve the right to cancel the playoffs for that particular age group.

All dates, rules, regulations and guidelines in the preceding document supersede any conflicting wording in the OK Kids Rules and Regulations.

2020 Rules Changes

Summary of OK Kids Baseball Association Board Meeting and Annual Meeting held Sunday, January 26, 2020 in Oklahoma City.

Addition to Rule V-Eligibility of Players, Paragraph 4

“When a league plays all of its games at one location (e.g. field or complex) a player must play with a team from the school he attends or with a team representing the school physically closest to his residence.”

Changing the date League Applications and Team Rosters are due in Rule III-Membership of Leagues, Paragraph 2

All League Applications and Team Rosters must be submitted on-line to OK Kids before the league season starts. League dues and player releases must be submitted to OK Kids by the league president, by mail or in person, no later than May 1. Players cannot be added to Team Rosters after May 1. For 2020 only this has been extended to June 1.

Adoption of a rule regarding player eligibility protests during Regional and State Tournaments

Any protests of player eligibility during Regional and State Tournaments must be made during the three hour period from the start of the mandatory Coaches Meeting until the scheduled start of the Regional or State Tournament. Rosters and Releases will be available for all head coaches to review during this time period and, if possible, before the Coaches Meeting.

Background checks

OK Kids Baseball Association, Inc. strongly recommends that all member leagues and towns select and conduct background checks, for all adult participants, in a manner that each community selects. OK Kids reserves the absolute discretion to revoke the right of any person to participate in OK Kids. If OK Kids becomes aware of a person whose conduct is determined to be or to have been detrimental to the welfare of children, OK Kids can administer any action to remedy the situation.

Renaming of age groups

Beginning in 2020, age groups will be named and identified as:

6u Tee Ball	(previously known as Tee Ball)
8u Baseball	(previously known as Coach Pitch)
10u Baseball	(previously known as Peewees)
12u Baseball	(previously known as Midgets)
15u Baseball	(previously known as Preps)
18u Baseball	(previously known as Minors)
8u Softball	(previously known as 8 and under-coach pitch)
10u Softball	(previously known as 10 and under-player pitch)
12u Softball	(previously known as 12 and under-player pitch)
14u Softball	(previously known as 14 and under-player pitch)

Expansion of 10u Baseball and 12u Baseball State Tournaments

Beginning in 2020, both the 10u Baseball and 12u Baseball State Tournaments will include 16 teams. The champions and runners-up from the seven regional tournaments will qualify along with two host teams selected by the state tournament site.

Team Eligibility for 15u Baseball, Regional and State Tournaments

Because of the limited number of 15u Baseball teams, some leagues have been unable to form 15u Baseball leagues. For 2020, continuing an experimental change implemented in 2011, if a 15u Baseball team does not have a league available in which to play, the team can petition OK Kids to play in Regional and/or State Tournament competition by submitting a legal team roster and the league fee by the June 1 deadline. OK Kids reserves the right to not accept any non-league affiliated 15u Baseball team. The OK Kids President will decide, based upon the number of teams participating, whether to hold Regional Tournaments or if all qualifying teams will automatically advance to the State Tournament. The 15u Baseball State Tournament will be held on dates set by OK Kids after consulting with the participating teams.

Gary D. Rader Volunteer Award

Dusty Cox, Weatherford, was nominated and selected as the Gary D. Rader Volunteer Award winner for 2020.

Vice President and Board Members

Mark Schoonmaker, Weatherford, was re-elected Vice President for a two-year term. Kenny Jorgensen, Prague, was elected to the Board for a seven-year term. Mark Hudson, Preston, will serve as Chairman in 2020.

OK Kids Softball

The OK Kids Baseball Association adopted a fast pitch softball division that began play with four age groups in 2012. The four age groups are 8u Softball (coach pitch), 10u Softball, 12u Softball and 14u Softball. Leagues or individual teams that meet OK Kids roster rules can apply to participate in the OK Kids Softball State Tournaments to be held July 15-19, 2020. Regional Tournaments will not be held in 2020 and all qualifiers will automatically qualify for the State Tournament. State Tournament dates will be moved back to June in 2021.

II - BY-LAWS ORGANIZATION

The organization shall be known as the OK Kids Baseball Association, Inc. The Board of Directors will determine the overall policy and will provide for operation of the Association through the Executive Committee. The Board will have the power to replace any or all of the members of the Executive Committee if in its opinion such action would be to the benefit of the Association.

PURPOSE

The purpose of the organization is to promote the playing of amateur baseball, to coordinate and standardize the activities of various organized leagues and to develop future citizens with the proper attitude toward life.

BOARD OF DIRECTORS

The Board of Directors of the Association shall consist of seven (7) Directors, the President and the Vice President. The Directors will be elected at the annual meeting on an "At Large" basis for a term of seven (7) years, staggering the terms so a new Director is elected each year. No town, league or affiliated association can have more than one (1) Director at the same time. A Director can serve no more than two (2) consecutive terms. In the event the President, Vice President or a Director resigns from his position or dies the Board of Directors may appoint someone to complete his or her unexpired term. The Chairman of the Board of Directors will be the Director serving the final year of his or her term.

The Board may issue "Policy Directives" for the guidance of the Executive Committee when, and, as necessary, in the opinion of such Board. Such Directives will constitute amendments to the Rules and Regulations, if necessary, to prevent conflict therewith.

The Board of Directors shall meet annually after the State Tournaments and prior to the Annual Meeting. Officers and Directors may be reimbursed for expenses of a meeting or receive a nominal payment for this or any other purpose as determined by such Board. At this meeting the President will present an operational review of the past season and plans for the next season, including a proposed budget. Such budget is subject to approval or change by the Board. At this meeting, the Board should also consider, as a "Rules Committee," any proposed changes in the playing rules properly submitted by the membership.

Other meetings may be called by the Chairman, after consultation with a majority of the Directors as to the need therefore.

Any action required of, or responsibility placed upon, the Chairman shall pass to the next member in seniority, if the Chairman should be incapacitated, or for any reason should be unable, or simply fail, to take action or fulfill such responsibility.

Five (5) of the nine (9) members of the Board of Directors will constitute a quorum for the conduct of business, including changes to the Rules and Regulations. A majority vote of members present will be sufficient to approve or reject a motion. In the absence of a called meeting, or between meetings, the Chairman may circulate a motion and ballot, by mail, for the resolution of any question he deems of sufficient importance. In this instance and in the instance of a motion of removal of an officer, a majority vote of four (4) of the Directors will be required for approval.

EXECUTIVE COMMITTEE

The Executive Committee shall consist of a President, Vice President and Executive Secretary-Treasurer. The President and Vice President are elected at the annual meeting for a two (2) year term. The Executive Secretary-Treasurer is appointed by the President.

President - The President is the chief operations officer. He has authority and responsibility for the general and "everyday" management of the business of the Association as required by the Rules and Regulations, or as prescribed by the Board of Directors. The President may delegate to other members of the Executive Committee such portions of his responsibilities as he deems appropriate but will be held accountable for their actions and the result thereof.

Vice President - The Vice President functions as an assistant to the President. In the absence of or disability of the President he shall assume and perform the duties of the President.

Executive Secretary-Treasurer - The Executive Secretary-Treasurer will maintain the records of the Association and will prepare a Financial Statement for presentation at the annual meeting. Such statement shall reflect, in reasonable detail, the income and expenses of the past year and the amount of assets and liabilities of the Association as of the third Sunday in January preceding the

Annual Meeting. The Executive Secretary-Treasurer, and any other Officer authorized to sign checks of the Association shall each be bonded for an amount determined by the Board of Directors. Such surety bond shall be in an amount not less than Twenty-five Thousand Dollars (\$25,000.00).

Whenever the title "Rules Committee," "Tournament Committee" or "Protest Committee" is used in these Rules and Regulations, such title shall mean the Executive Committee and Board Chairman (or his designate) acting together. In the event of a tie vote on any issue, the position taken by the Board Chairman shall negate that taken by the Executive Secretary, in effect producing only three (3) votes all from elected officers.

III - MEMBERSHIP OF LEAGUES

(See Section XI for definition of League)

1. The membership shall consist of regularly organized leagues of not less than four (4) teams, playing a minimum of six league games. League game schedules and league post season tournaments (if a post season tournament is played) cannot finish earlier than June 19.

Each member league is entitled to a voting representative at the annual meeting of the OK Kids Baseball Association. The league representative will be designated on the league application. NOTE: No proxy voting.

2. Leagues must apply each year for membership. All applications should be made on the official application form and be approved by the Executive Committee. **All League Applications and Team Rosters must be submitted on-line to OK Kids before the league season starts. League dues and player releases must be submitted to OK Kids by the league president, by mail or in person, no later than May 1. Players cannot be added to Team Rosters after May 1. For 2020 only, the May 1 deadlines have been extended to June 1.** No application will be accepted after the deadline without unanimous approval of the Executive Committee. Note: This rule will be strictly enforced.

3. The entry fee for each league will be \$100.00. The entry fee must be enclosed with the league applications. Note: The entry fee is \$100.00 per four (4) teams if a member league is sending more than one (1) team to Regional Tournaments.

4. Any community or area may form its own league or leagues and become affiliated with the Association by organizing and administering its own affairs in accordance with the Rules and Regulations of the Association. The league area must not encroach on the area of an established league. No league may permit the participation of a team from the area of an established league without a written release from the officers of the established league.

A team may be a member of another organization while holding membership in the OK Kids Baseball Association.

A league shall designate a president who shall carry on negotiations, whenever necessary, with the proper officers of the OK Kids Baseball Association. He shall prepare the schedules of his league or leagues. The winner of each league, as designated by the president of his league, shall be eligible to compete in a Regional Tournament. The Executive Secretary must be notified by the president of the league of its winners (or qualifiers) on or before July 3, 2020 in all Baseball and Softball age divisions and Tee Ball. The Executive Secretary must be advised of the names of the teams as well as the names, mailing addresses and the telephone numbers of the managers. Dates and locations of all tournaments will be designated by the Association. The dates will fluctuate according to the calendar each year.

Regional Tournament brackets cannot be completed until all member leagues have advised the Executive Secretary of all league teams that are eligible for the Regional Tournaments. This must be done no later than July 3, 2020 for all Baseball and Softball age divisions and Tee Ball. Brackets will be completed as soon as possible on or after July 8, 2020. Please do not call the OK Kids officers to ask about bracket pairings. The brackets will be released on the website as soon as they are completed. Packets will not be mailed to coaches. Please obtain Regional and State Tournament information from the website.

5. In the 8u Baseball, 10u Baseball, 12u Baseball and 15u Baseball age divisions any city or town wanting to host a State Tournament must submit a bid in writing, on the proper form provided by OK Kids, with a bid check attached to the OK Kids

Executive Secretary-Treasurer. The bid must be received no later than June 1, 2020 (extended from May 10 for 2020). The city or town awarded the winning bid will receive two automatic teams in the State Tournament and will not play in a Regional Tournament. The State Tournaments will be awarded to the highest and best bid as determined by the OK Kids Executive Committee. The minimum bid is \$500.00. The maximum bid is \$5,000.00. Unsuccessful bidders' checks will be returned.

All teams hosting State Tournaments must still be a member of an OK Kids league and comply with all OK Kids rules.

State Tournament brackets will be determined by a blind draw. The blind draw will be conducted before the Regional Tournaments are played. Each State Tournament will have two eight-team brackets. First, the two host teams will be randomly assigned to different brackets. Then four Regional Champions and three Runners Up will be randomly placed in one bracket. The other three Regional Champions and four Runners Up will be placed in the other bracket. Teams from the same Regional Tournament will be automatically placed in different brackets. Both brackets will be double elimination with the two bracket winners advancing to a best-of-three Championship Series to determine the State Champion.

The Board voted on January 28, 2007 to suspend the 18u Baseball age division due to lack of participation. However, anybody wanting to participate in a 18u Baseball State Tournament should contact the OK Kids President. If enough interest is indicated for this age group, the Executive Committee will consider implementing a state tournament for 2020. The 18u Baseball State Tournament would be played on a dates agreed to by the participating teams.

Any city or town wanting to host the OK Kids 18u Baseball State Tournament should notify the OK Kids Executive Secretary. The Executive Committee reserves the right to determine if a state tournament will be held and to choose the best site available.

6. Some OK Kids rules can be amended to assist local leagues. Any league may adopt special playing rules to use during league play. However, OK Kids rules shall apply in both Regional and State Tournaments.

The eligibility and pitching rules cannot be changed or amended in any way.
EXAMPLE: 15u Baseball would be able to play on 82 ft. bases during league play, but 90 ft. bases would be used during Regional and State Tournament play.
NOTE: Should questions arise concerning special playing rules, contact the OK Kids President or Executive Secretary and obtain a written opinion.

7. In applying for membership, a league agrees to provide any and all information, requested at any time, by the President of OK Kids.

8. It is the responsibility of each local league president or secretary to notify the OK Kids Executive Secretary each year of the approximate number of teams anticipated in each age division. Notification in writing is greatly appreciated.

EXAMPLE:

Coach Pitch	12 teams
10u Baseball	8 teams
12u Baseball	6 teams
15u Baseball	4 teams

This should be done as soon as possible, after the Annual Meeting in January. Upon receiving this information, the OK Kids Executive Secretary will make league supplies available for the upcoming season.

9. Any league may adopt a “non-intra league transfer of players” rule within its own league. An example is the Bridge Creek, Tuttle, Blanchard and Newcastle league. Bridge Creek is a school district, not a city or town. This rule would apply only within the league, but not apply to the transfers of players outside to a non-league city or town.

IV - REGISTRATION OF PLAYERS, MANAGERS AND COACHES

1. The local league president and/or local league secretary are to keep on file player contract cards, team roster sheets and copies of all hospital or birth certificates. Copies of all birth and hospital certificates, along with a final copy of the team roster sheet should be returned to each manager or coach just prior to the start of the Regional Tournaments, but no sooner than July 1 of each year. League presidents must obtain individual contract cards, league applications and team roster sheets from the office of the Association. Players, managers and coaches are officially registered for the current season only. The individual contract card must be properly completed in ink or typed with the signature written and not printed. Names on the cards must match the names listed on the team roster sheet.

NOTE: No player shall be considered duly registered and eligible to participate unless he is properly registered on both a contract card and the team roster form. The manager and coaches should also complete a contract card. They must give their full names in order to preserve their identities. A change of registration and roster must be forwarded to the office of the local league president before the regularly scheduled or re-scheduled league game in which the player is to participate.

2. No team shall have at any one time more than eighteen (18) players on its roster, but in addition may have a non-playing manager and three (3) non-playing coaches.

Team rosters are required to include the date signed by the coach, the school each player attends and players' physical addresses (no P.O. Boxes). The town or school represented must be a part of the team name. The team's home field address where league home games are played must also be designated on the team roster form.

Rosters must have the league president's signature for approval and will be accepted only if submitted by the league president. Players cannot be added at the June 1 deadline without the league president's approval.

The penalty for submitting an incomplete roster is that any player without complete information is not eligible for Regional or State Tournaments. If the

team information is not complete then the entire team is ineligible for Regional or State Tournaments.

3. Officers of the OK Kids Baseball Association have the right to declare any player a "free agent" at any time for just cause or reject an individual contract card of a prospective player, manager or coach.

4. The Executive Committee, upon proper evidence presented to the OK Kids Baseball Association, may declare a player in question ineligible at any time. If he is declared ineligible, his team must forfeit all games in which he has participated.

5. The local league president and/or local league secretary must have player contract cards, team roster sheets and copies of birth or hospital certificates in their possession prior to any player playing in his first league game. Failure to comply with this rule could result in teams or leagues being ruled ineligible for OK Kids Regional and State Tournaments.

6. A manager or coach should have a team meeting with all his players and their parents prior to playing the first league game, or as soon as possible, and discuss all the items that pertain to them, such as birth and hospital certificates, the pitching rules, team roster, eligibility of players, etc. This will help everyone understand the rules and know what is expected of them. Each league president is provided rule books for all teams.

V - ELIGIBILITY OF PLAYERS

1. Players will be classified as follows:

(A) Tee Ball: 4-5-6, must be 4 and cannot be 7 years old prior to January 1, 2020.

(B) 8u Baseball: 8 and under, cannot be 9 years old prior to January 1, 2020.

(C) 10u Baseball: 9-10, cannot be 11 years old prior to January 1, 2020.

(D) 12u Baseball: 11-12, cannot be 13 years old prior to January 1, 2020.

(E) 15u Baseball: 13-14-15, cannot be 16 years old prior to January 1, 2020.

(F) 18u Baseball: 16-17-18, cannot be 19 years old prior to January 1, 2020.

NOTE: A player may play above his age classification. If he does play above his classification, he can only be registered on one team.

EXAMPLE: A player on the roster of a 10u Baseball team plays on a 12u Baseball team. The 12u Baseball team must forfeit any league games in which the 10u Baseball player participated. Many other problems can arise from allowing this to happen. Please contact the OK Kids President or Executive Secretary for more information.

2. Managers and coaches shall be held accountable for statements of the players regarding age. Players in all six age divisions (Tee Ball, 8u Baseball, 10u Baseball, 12u Baseball, 15u Baseball and 18u Baseball) must file copies of birth certificates or hospital certificates with the local league president.

3. No player shall be eligible:

(A) To play a game under the jurisdiction of the Association, if he shall have received a monetary consideration for his services rendered as a player.

(B) To receive compensation for his services rendered to a team of the Association. This rule is not to prevent suitable prizes being given to players. Automatic approval is granted for presentation of trophies, medals and plaques.

NOTE: A player participating in baseball games played for a monetary consideration, pecuniary stakes or wages shall be considered as having personally received a monetary consideration.

4. A player must play with a team from the school he attends or with the team nearest his residence that has a team of his age classification. Initial assignments of players must be made within this rule. **When a league plays all of its games at one location (e.g. field or complex) a player must play with a team from the school he attends or with a team representing the school physically closest to his residence.**

NOTE: Most families change residences after the end of the school year. Players' eligibility can be affected by a change of residence during the season. Managers and coaches should verify a player's eligibility to avoid having to forfeit games or possibly become ineligible to advance to the Regional and State Tournaments. Please contact the OK Kids President or Executive Secretary for clarification of players' eligibility during the season or after the end of the school year. Exceptions may be made only by written approval of the Executive Committee. This rule is often misunderstood. If you are not sure about a player's eligibility or if you do not understand this rule, please call the OK Kids President or Executive Secretary for clarification and explanation. Please do not wait until a problem arises or the rule has been broken to ask for help. Player eligibility must be established prior to playing in first league game.

5. Transfers of players may be made after initial assignments to accommodate change of residence by the player's family, to provide opportunities for more players to play and to balance the teams as to numbers of players, if accomplished prior to the June 1 deadline. The transferred player must be released by the manager of the team or teams entitled to his services under rule four (4) and the executed "Release" submitted to the OK Kids office with the completed roster form. Preceding rule four (4) must be a controlling consideration in any contemplated transfer.

A team can have no more than three (3) players requiring a release.

To determine what teams must release a player in order for him to be eligible, a line must be drawn from the player's residence to his proposed team's home field. A circle is then drawn around his residence, the radius of which is the distance from his residence to his proposed team's home field. Every OK Kids teams' coach, in that age group, that falls within that circle must release the player for the player to be eligible. Only head coaches can sign the release.

6. A player playing on, or on the roster of, a baseball team in another organized league or organization during the same period they are registered with an OK Kids team, is eligible to play on the OK Kids team as long as the OK Kids pitching rule is not violated.

7. No player may be added to a team roster after June 1 of each current year. The final complete official player roster of each team will be submitted to and approved by the league president and must be received no later than June 1.

NOTE: The intent of the June 1 rule is to prevent teams from finishing league play early and then forming an "All Star" team to compete in Regional and State Tournaments. Our purpose is to play Regional and State Tournaments with regular league champions and qualifiers. All league presidents must send the original (not a copy) team roster sheet to the Executive Secretary-Treasurer of the OK Kids Baseball Association. These must be postmarked no later than June 1. Any team or league not complying with the rules will be ineligible to participate in the OK Kids Regional or State Tournaments. Manager/coaches are totally responsible for checking the final team roster sheet, prior to it being mailed to OK Kids on or before the June 1 of each year. The OK Kids Baseball Association will not accept the excuse from the local league officer or team manager/coach that we forgot to add a player or the wrong roster was sent in by mistake. The responsibility is yours. Please be sure that your roster is correct before you or your league mails it to your league office or OK Kids. Special exceptions cannot be made.

8. All players must wear headgear, with ear protectors, while at bat or on base as a runner. Penalty for failure to comply with this rule will be handled by individual leagues and should comply with Rule 7(A), Section VI.

9. All catchers shall wear, in addition to a head protector, a mask, body protector, protective cup and baseball protective shin guards. A throat protector, which is either a part of, or attached to, the catcher's mask, is mandatory.

10. A player must live within the boundaries of the State of Oklahoma, attend an Oklahoma school or live with a parent or legal guardian that lives in the state during baseball season in order to participate in OK Kids. Legal documentation may be required to prove residence and must be provided to the Executive Committee upon request.

11. It is illegal for any manager, coach, parent or player to attempt to recruit anyone from an OK Kids team or league to play with another OK Kids team anywhere in the State of Oklahoma. If it is proven that this has taken place, the person or persons involved could receive a lifetime ban from associating with OK Kids in any capacity. The OK Kids President will determine the punishment for

the violation of this rule. If a lifetime ban is proposed, a majority vote of the Board of Directors and the Executive Committee will be required to implement the lifetime ban.

VI - TOURNAMENT REGULATIONS

The state will be divided into regions by the Executive Committee for the purpose of establishing Regional Tournaments. A city or town may request a Regional Tournament by writing the OK Kids President or Executive Secretary. All requests should be at the Association office no later than May 10 (June 1 for 2020) of the current year. Cities and towns must be willing to host the tournament even if they do not have a team in the tournament. Each league winner or qualifier will be eligible to compete in a Regional Tournament in each age division. The sites of the Regional Tournaments and the sites of the State Tournaments will be determined by the Tournament Committee. The Tournament Committee will determine sites as soon as possible after May 10 (June 1 for 2020).

No fee will be charged for hosting a Regional Tournament.

For Tee Ball, 8u Baseball, 10u Baseball, 12u Baseball, 15u Baseball and 18u Baseball State Tournament bidding, see Rule III, Number 5.

1. All OK Kids teams will play by National Federation (high school) and Oklahoma Secondary Schools Activities Association (O.S.S.A.A.) rules.

EXCEPTION: 8u Baseball, 10u Baseball and 12u Baseball will use all current OK Kids rules. National Federation and O.S.S.A.A. rules will apply when anything is not covered by OK Kids rules. 15u Baseball and 18u Baseball will play by National Federation rules exclusively.

2. Listed below are the only approved baseballs for OK Kids Regional and State Tournament play. All baseballs used in Regional and State Tournaments must be of this quality or better:

MacGregor 87

Rawlings RCC

Diamond DOLA

Wilson A1075B

Braden BB2

Rawlings RLLB-1 9"

Kelly KB-2

3. 15u Baseball and 18u Baseball will follow National Federation and O.S.S.A.A. rules and guidelines as to the use and size of bats.

The following are the only bats approved for use in OK Kids Baseball games for 8u Baseball, 10u Baseball and 12u Baseball:

1. A wood bat.
2. Any bat permanently stamped by the manufacturer with the Official BBCOR Baseball logo.
3. Any bat permanently stamped by the manufacturer with the Official USA Baseball logo.
4. Any bat permanently stamped by the manufacturer with the Official bpf 1.15 logo.

*OK kids reserves the right to disallow any bat at any time. If a bat is disallowed, it will be specifically listed.

4. The "home" team in all Regional and State Tournament games shall be determined by the toss of a coin by the umpire-in-chief or tournament director.

5. When a manager or team submits its official batting order to the umpire and the opposing manager, as required by the official baseball rules, he must give the full names of his players participating in the game exactly as registered in the office of the Association.

6. Shoes with spikes (hard rubber, plastics, fiberglass, etc.) or metal cleats are strictly prohibited on players in Tee Ball, 8u Baseball, 10u Baseball and 12u Baseball.

NOTE: In the event the Oklahoma Secondary Schools Activities Association should declare metal cleats illegal, then OK Kids will adopt the same policy in the same year. Individual leagues may adopt a "No Metal Cleat" rule but must remember that the OK Kids rule applies in Regional and State Tournaments.

7. Every team must provide helmets with ear protectors for the use of its players. The protective headgear must be worn while batting or as a runner.

In all cases the umpire will notify the violating team's manager/coach about a violation of this rule prior to calling a player out. This allows the manager/coach

the opportunity to keep the player from being called out or being injured. In tournament play if a player comes to bat without a helmet the umpire will warn the player to put on a helmet. If he does not comply with the umpire's request he will be called out before the first pitch is made to him. If a base runner fails to wear his helmet, the umpire will warn him to put on a helmet. If he does not comply with the umpire's request, he will be called out before the first pitch is made to the batter.

8. Dimensions of the diamond. The pitching distance is measured from the back of home plate to the front edge of the pitcher's plate.

	Tee Ball & 8u Baseball	10u Baseball	12u Baseball	15u Baseball	18u Baseball
Bases	60'	70'	70'	90'	90'
Pitching	42'	42'	47'	60' 6"	60' 6"
Home to 2nd Base	84' 10 1/4"	98' 11 15/16"	98' 11 15/16"	127' 3 3/8"	127' 3 3/8"

9. No pick up players will be allowed.

10. Players or teams may participate in tournaments sponsored by other organizations, providing the OK Kids teams and players follow OK Kids rules, such as the pitching rule. OK Kids rules, such as the pitching rule, apply when returning to league play after a tournament.

11. Tee Ball, 8u Baseball, 10u Baseball, 12u Baseball and 15u Baseball divisions will play double elimination tournaments in both Regional and State Tournaments.

12. Regional Tournaments for Baseball and Tee Ball will be the week of July 13-18. Tee Ball and 8u Baseball Regional Tournaments will only be three days.

The 15u State Baseball Tournament will be held at a time agreed upon by the participants.

Tee Ball, 8u Baseball, 10u Baseball, and 12u Baseball State Tournaments will be the week of July 20-25.

The 18u Baseball State Tournament, if held, will be held at a time agreed upon by the participants.

13. The Regional or State Tournament Director will hold a meeting of all team managers/coaches and tournament officials at least three (3) hours prior to the starting time of the first game in that tournament. The purpose of this meeting is to explain and discuss all rules that will apply in the tournament. Every team in the Regional or State Tournament must have a manager or coach at the Tournament Director's meeting. This rule cannot be waived by the Tournament Director. Failure to comply can result in forfeiture of a team's first round game. The Executive Committee will make the final ruling regarding failure to comply.

(A) Certification of eligibility must be presented by the manager or coach of any team participating in an OK Kids Regional or State Tournament to the Tournament Director before his team will be permitted to take the field. Certification for all age groups must include:

(1) An official team roster that includes all of the players' names.

(2) A readable copy of the birth certificate or hospital record for each player listed on the roster. NOTE: The names of players on the roster must match the names on the birth certificate or hospital record or a player must have a legal document (copies) supporting the name difference. A note of the name difference on the team roster is also required.

(B) A player not listed on the official team roster or not having a copy of his birth certificate or hospital record will be ineligible to participate in an OK Kids Regional or State Tournament. NOTE: Managers or coaches are solely responsible for the eligibility and proper registration of their players under OK Kids rules.

Any protests of player eligibility during Regional and State Tournaments must be made during the three hour period from the start of the mandatory Coaches Meeting until the scheduled start of the Regional or State Tournament. Rosters and Releases will be available for all head coaches to review during this time period and, if possible, before the Coaches Meeting.

14. The OK Kids Baseball Association will award team trophies and individual rings to the winners and runners-up in the State Tournaments.

15. Regional Tournament hosts must provide team trophies or plaques of the same quality to the champions and the runners-up. The minimum height for the championship team trophy is 24" and the minimum height for the runner-up team trophy is 18". Host towns will also be required to furnish individual trophies or plaques of the same quality. The individual championship trophies are to be at least 12" in height and the individual runners-up trophies are to be at least 10" in height. A total of 18 individual trophies or plaques for the champion and the runner-up are required. Failure to comply with this rule could result in the town losing the opportunity to host any further Regional Tournaments.

16. Regional and State Tournaments must be run off on successive days, to include Sunday, unless postponed by rain or by approval of Executive Committee.

17. Admission to Regional and State Tournaments is limited to a maximum of \$5.00 per person, per day. Children under five (5) years of age receive free admission.

18. A minimum of two umpires must be used in all Regional and State Tournaments. Both umpires must be registered with the Oklahoma Secondary Schools Activities Association. All umpires must be 21 years of age or older. Exception: In Regional Tournament play only, one of the two umpires on the field may be 18, 19 or 20 years old, providing he is registered with the Oklahoma Secondary Schools Activities Association and has graduated from high school.

19. Players participating in an OK Kids Regional or State Tournaments must wear a shirt with an identifying number.

20. A donation of \$25.00 per game to OK Kids would be greatly appreciated for each game broadcast on radio or television. All donations should be sent to OK Kids Executive Secretary-Treasurer.

21. At any time, the team may use courtesy runners for the pitcher and/or the catcher. The same individual runner may not be used for both positions (pitcher and catcher) during the game. Neither the pitcher nor the catcher will be required to leave the game under such circumstances. Players who have participated in the

game in any other capacity are ineligible to serve as courtesy runners. A player may not run as a courtesy runner for the pitcher or the catcher and then be used as a substitute for another player in that half inning.

22. The Executive Committee may award "At Large" berths in Tee Ball, 8u Baseball, 10u Baseball, 12u Baseball and 15u Baseball age groups for Regional Tournaments when necessary to help fill brackets, when some league does not want to send a team or if a team withdraws after the brackets have been set. Any team receiving an at large berth must pay \$100.00 to OK Kids. Only a request in writing with a \$100.00 "At Large" fee attached will be put into the drawing pool. All checks will be returned to teams not receiving an "At Large" berth. The OK Kids President may waive the "At Large" fee at his discretion.

This rule is only intended to help the Executive Committee when it is warranted and is not to be interpreted or used by a team to "buy" their way into a Regional Tournament each year. Only teams that have submitted a request in writing will be considered. All requests must be received in the OK Kids office by July 3, 2020. Requests must include day and night phone numbers and the complete mailing address of the manager or coach along with the team name and the league name. To apply for an at-large berth, a team must be a member of an OK Kids league for the current season.

23. OK Kids will complete the brackets for all Regional and State Tournaments, including the pairings, game times, dates and the tournament director meeting times and dates. These cannot be changed without approval of the OK Kids President or Executive Secretary.

24. Any manager, coach, player, fan or dugout personnel ejected during an OK Kids Regional or State Tournament for unsportsmanlike conduct will be suspended from his or her team's next Regional or State Tournament game. The suspension will carry over from the Regional Tournament final game to the first State Tournament game. The ejected person will not be allowed to enter the baseball complex during the one game suspension.

25. There are no time limits on games in the Regional or State Tournaments for all age groups.

VII - SPECIAL PLAYING RULES

1. Play shall be governed by the current National Federation and O.S.S.A.A baseball rules, except when those rules are specifically changed or modified by the rules and regulations in this book, by other changes made by the Board of Directors or as voted by the membership.

Exceptions to National Federation rules follow.

NOTE: 15u Baseball and 18u Baseball age divisions will play by National Federation/O.S.S.A.A. rules. This applies to the actual game itself, not eligibility, registration, etc.

2. Re-substitution (Re-entry) Rule applying to 8u Baseball, 10u Baseballs and 10u Baseballs classifications: Any player removed from the game by the manager/coach may re-enter the game, one time. Upon re-entry, he must return to the same batting position he previously occupied. A player removed from the game for the second time is no longer eligible to re-enter that game.

If necessary, because a player becomes ill, injured or ejected, a team will be allowed to complete a game with eight players. An out will be called each time that spot in the order is due to bat. If a team cannot finish the game with at least eight (8) players then that team must forfeit the game.

A team that has started the game with nine (9) players but is only playing with eight (8) players due to illness, injury or ejection may go back to nine (9) players if the injured or ill player is able to re-enter the game or if another player arrives at the game to fill the open spot in the lineup.

NOTE: It is the responsibility of the team manager to be familiar with this rule. In tournament play the official scorer should assist the manager in preventing the violation of this rule. However, it is still the responsibility of the team managers.

If a team is playing with only nine (9) players when injury, illness or ejection occurs to a non-retired runner, on an award or after reaching base, reducing the team to only eight (8) players, the most recent batter not on base is allowed to run for that player leaving the game due to injury, illness or ejection.

15u Baseball and 18u Baseball Note: Any of the starting players may be withdrawn and re-entered once, provided the player occupies the same batting position whenever he is in the lineup. A substitute who is withdrawn may not re-enter.

3. Regulation games shall be five (5) innings for 8u Baseball and 10u Baseball, six (6) innings for 12u Baseball and seven (7) innings for 15u Baseball and 18u Baseball.

(A) In Regional and State Tournament play there will be a 12-run rule for 8u Baseball and 10u Baseball and a 10-run rule for 12u Baseball, 15u Baseball and 18u Baseball if all the innings have been completed except two. That is, if three (3) full innings have been played, or two and one-half (2 ½) innings when the home team, is ahead in 8u Baseball and 10u Baseball; if four (4) innings have been played, or three and one-half (3 ½) innings, when the home team is ahead in 12u Baseball; or if five (5) innings have been played, or four and one-half (4 ½) innings, when the home team is ahead in 15u Baseball and 18u Baseball. This rule can apply in league play.

(B) If a game is called because of rain or inclement weather in Regional or State Tournament play, the game will be suspended at the point of interruption. A suspended game shall continue from the point of suspension on the earliest possible day, with the line-up and batting order for each team the same as it was at the time of suspension. The pitching and re-substitution (re-entry) rules remain in effect for the suspended game. CLARIFICATION: Pitching eligibility is based upon the innings pitched per day, regardless of the suspension of a game. For example, a pitcher may have only pitched one inning in a suspended game, but he could be ineligible to pitch the next day when the game is resumed.

This rule can apply in league play or a league can implement its own rule regarding games being called due to rain or inclement weather. For example, allowing a game to be complete if all innings but two have been played.

4. In the 8u Baseball and 10u Baseball age divisions a player may not advance to first base when the catcher misses or drops the third strike. In 10u Baseballs the batter is out but the ball is in play, hence, other runners can advance at their own risk.

5. The pitching rule applies to the number of outs a player may pitch in one day in the 10u Baseball and 12u Baseball age divisions.

10u Baseball - 15 outs; 12u Baseball - 18 outs.

A pitcher must retire one (1) batter, or an out occur, while he is in the game as pitcher to be charged with an appearance during that inning or game; however, should he leave the game and then return later at another position this would constitute the re-substitution rule being used for that player. Further explanation or more in depth clarification may be requested by calling the OK Kids President or Executive Secretary-Treasurer.

The pitching rule for 15u Baseball and 18u Baseball is as follows:

A pitcher may pitch a full game of any length in a day. If he pitches less than six innings in a game, he may pitch in a second game that day, but he may not pitch more than a total of ten innings in the two games. (NOTE: A pitcher who pitches five innings in the first game and makes an appearance in the second game the same day shall not be eligible the next day.) An appearance during an inning shall count as a full inning. The pitcher taking the mound and the ball becoming live constitutes an appearance. A player who has pitched six innings or more in a day shall not be used as a pitcher the following day. A player who has pitched five (5) innings or less in a day is eligible to pitch the next day, with the same restrictions as a player who had not pitched. (Example: In a doubleheader, a pitcher may go 1-9, 2-8, 3-7, 4-6, 5-5, but cannot go 6-4, 7-3, 8-2, 9-1, in the same day.)

6. If a player in the 10u Baseball or 12u Baseball age divisions pitches nine (9) outs or less he may pitch again the second day later. If he pitches one pitch more than nine (9) outs he cannot pitch again until the third day later.

EXAMPLE: If a 10u Baseball or 12u Baseball pitcher pitches nine (9) outs or less on Monday, he may pitch again on Wednesday; if he pitches more than nine (9) outs, he cannot pitch again until Thursday. Violation of this rule forfeits the game from the violating team.

NOTE: This pitching rule for 10u Baseball and 12u Baseball will be relaxed for tournament play, allowing the pitcher to pitch one day sooner than the rules allow for regular league play. This can be done only one time for each pitcher in a tournament. This rule applies only to tournament games. It cannot be used going

into or out of tournament play. The pitching rule for 15u Baseball and 18u Baseball cannot be relaxed.

7. Any special rules concerning the starting times of games, postponements, rained out games, playoffs, etc., shall be determined by the individual leagues. The special rules should not conflict with the rules of OK Kids or cause any of the teams or players to be ineligible.

8. A manager, coach, player, substitute, attendant or other bench personnel shall not:

(A) Deliberately throw a bat or helmet; or

(B) Call "time" or use any command or commit any act for the purpose of trying to cause the opposing pitcher to balk; or

(C) Use word or act to incite or try to incite spectators to demonstrations, or use profanity or remarks which reflect upon opposing players, umpires, or spectators; or

(D) Maliciously or flagrantly run into a fielder who has the ball; or

(E) Use unnecessary roughness (fighting, etc.) which might inflict injury to any player; or

(F) As a fielder, fake a tag without the ball; or

(G) Fail to slide or attempt to get around a fielder who has the ball and is waiting to make the tag.

Penalties: The intent of rule (D), (E), and (G) is to have no "deliberate contact". Umpires will advise managers that intentional contact will be considered to be a violation of (D), (E), and (G). In (B), (D), and (E) umpires shall banish the offender from the game. In (D) or (E), if offender was base runner or a batter, banishment constitutes an out. Failure to comply shall result in the game being forfeited. However, in (A) and (C), if the offense is judged to be minor in nature, the umpire may warn the offender and disqualify him if he repeats the offense. In (F) obstruction will be called and umpire shall award a minimum of one base

beyond player position on base when the incident occurred. Preceding runners forced to advance will be moved to the necessary bases. In (G) the runner will be called out. All of these rules are judgement calls by the umpire.

9. The following are the only bats approved for use in OK Kids Baseball games for Tee Ball, 8u Baseball, 10u Baseballs and 10u Baseballs:

1. A wood bat.
2. Any bat permanently stamped by the manufacturer with the Official BBCOR Baseball logo.
3. Any bat permanently stamped by the manufacturer with the Official USA Baseball logo.
4. Any bat permanently stamped by the manufacturer with the Official bpf 1.15 logo.

*OK kids reserves the right to disallow any bat at any time. If a bat is disallowed, it will be specifically listed.

10. The on-deck batter may warm up in the on-deck circle on the side of the field behind the batter for safety reasons.

VIII - PROTESTS

1. A protest of any kind must be submitted to the local league president within 48 hours following the regularly scheduled or re-scheduled game affected or 24 hours following a playoff game. If the pitching rule or the player eligibility rule is violated, the president of the local league can make the ruling without consulting the protest committee. The protest fee, which should be determined prior to the start of the season, must accompany the protest. One-half of the protest fee should be returned if the protest is upheld.

2. A protest may be made to the Executive Committee of OK Kids if the individual league protest committee has already heard the protest and issued its ruling. Any manager contemplating filing a protest with OK Kids must do so within 72 hours of receiving the outcome of the protest from his local league. The protesting manager is responsible for getting all pertinent information to OK Kids; such as day and night phone numbers and the mailing addresses of anyone having information pertaining to the protest. A copy of the local protest ruling must accompany the protest. All protests made to OK Kids must be accompanied by a

protest fee of \$200.00. One-half of the protest fee will be returned if the protest is upheld.

This applies to regular season games. No protests will be allowed to the OK Kids Executive Committee regarding Regional or State Tournaments except for player eligibility explained below in number four (4).

3. A manager contemplating a protest on a violation of playing rules on the field of play must notify the umpire-in-chief immediately of his desire. The umpire must announce that the game is being played under protest.

4. Protests during Regional and State Tournaments will be handled according to tournament rules. There is no protest fee during OK Kids Regional or State Tournaments. **Any protests of player eligibility during Regional and State Tournaments must be made during the three hour period from the start of the mandatory Coaches Meeting until the scheduled start of the Regional or State Tournament. Rosters and Releases will be available for all head coaches to review during this time period and, if possible, before the Coaches Meeting.**

5. Decisions by the Executive Committee shall be final on all protests that they accept to hear.

IX - CONDUCT

1. In order to help in the promotion of a greater OK Kids Baseball Association, it is required that the use of tobacco products in any form by managers, coaches, players, officials, etc., be prohibited on the playing field during preliminary practice and during the game.

2. Any person affiliated with an OK Kids team who directly or indirectly approaches a player of a team for the purpose of inducing him to leave that team during the current season shall be liable to a punishment that OK Kids deems fit.

3. Any team that is a member of a league holding membership in OK Kids must agree to abide by all rules of the OK Kids Baseball Association, and it also must agree that the Executive Committee will have the final ruling on all matters, such as eligibility of players, playing rules or anything pertaining to the OK Kids

Baseball Association. Any team or teams seeking or taking action outside the Association, such as involving the OK Kids Baseball Association or any of its "agents" in a lawsuit for the purpose of delaying or reversing any decision made by the Executive Committee or for the postponement of any games or tournaments, will have the following penalty invoked on its team and/or its league:

PENALTY: The team or league will not be allowed to participate in any OK Kids post season tournament, such as Regional or State Tournaments for a period not less than one (1) year or not more than seven (7) years. The Executive Committee will decide the final penalty, not to be less than or more than the above penalty.

4. League officers or coaches submitting or providing false information to OK Kids will be banned from OK Kids for life.

X - AMENDMENTS

1. Any section in the Rules and Regulations of the OK Kids Baseball Association may be altered by the Executive Committee to facilitate the efficient and effective administration of the Association, provided the change be properly approved by the majority of the Board of Directors.

2. All proposed amendments to the Rules and Regulations must be submitted in writing to the Executive Secretary before November 1 of the current year. The proposed changes will be received by the Rules Committee prior to the Annual Meeting. At the Annual Meeting the Rules Committee may present proposed changes to the members present for their approval.

EXAMPLE: A rule change is submitted to the Executive Secretary-Treasurer on August 15, 2020. The rule will be voted on at the Annual Meeting on January 31, 2021. If the rule is approved, it will be effective at the beginning of the 2022 season.

3. Only changes submitted in the above manner will be considered. The Board of Directors will then determine what proposed rules changes are to be brought to the general membership at the Annual Meeting for discussion and/or vote.

4. Following the approval of a rule change, if 75% of the voting league representatives attending the Annual Meeting vote in favor of an emergency clause the rule change will become effective the same year it passed.

XI - DEFINITION OF LEAGUE

A league consists of at least four (4) teams in an age division.

EXAMPLE: If five (5) small towns formed an association and each town had one team in each age division (8u Baseball, 10u Baseball, 12u Baseball and 15u Baseball) they would have four leagues. The entry fee would be \$400.00 (\$100.00 for each league).

XII – 8U BASEBALL

8. **Batters:** See VII—Special Playing Rules, rule #2.
9. **Number of pitches:** Five (5) pitches or three (3) missed swings, whichever comes first. If the fifth (5th) pitch is hit foul, the pitcher will pitch again until batter misses the pitch, hits the ball fair or fouls out to a defensive player in the game. There can be no walks, including intentional walks. **CLARIFICATION:** If the batter has one strike after four pitches and hits a foul ball (a foul ball that is not caught or a foul tip that the catcher catches) on the fifth pitch he is allowed another pitch. If the batter has two strikes after four pitches and hits a foul ball that is not caught he is allowed another pitch but if the swing results in a foul tip caught by the catcher the batter is out.
10. **Bunts:** No “fake” bunting. Bunting is allowed; however, the batter is not allowed to indicate bunting to the degree that a fielder or fielders (other than the

pitcher - Section XII - #15) may charge toward the batter, and then withdraw the indicated bunt/position/stance in order to swing at the pitched ball. **PENALTY:** The ball/play is “dead” regardless of the result of the action and the batter will be called out. A bunt that goes foul on the third strike is an out.

11. **Base Running:** A base runner must have one foot on base once the ball is live and cannot leave the base until the batter has contacted the ball with the bat.

17. **Pitching Coach Interference:** The pitching coach must exit fair territory after the ball is hit and avoid contact.

PENALTIES: Runners return to the base they occupied as if it were a foul ball. Hit by thrown ball is the same penalty. Interfering with a player attempt to make a play results in the batter being out and no runners can advance.

18. **Run Rule:** Six (6) per inning or three (3) outs, whichever comes first. Game ending run rule same as 10u Baseball. **CLARIFICATION:** A team is allowed to score a maximum of six runs per inning. This applies in every inning, including the fifth inning or any extra inning.

Nobody should be elected president of a league in which he sponsors or manages a team if this can feasibly be prevented.

Each league should establish a sound and acceptable procedure for securing and assigning umpires.
