

## Centennial Volleyball Club COVID-19 Plan

Centennial Volleyball Club will continue to assess the COVID-19 pandemic and adjust our club season procedure plans according to the Minnesota Department of Health (MDH), Centers for Disease Control and Prevention (CDC), and the federal Occupational Safety and Health Administration (OSHA).

We will also comply with rules set forth by the Centennial School District for using their facilities, and wherever volleyball matches are played.

As of August 19, 2021, face masks are recommended, but not required.

Coaches must be notified if a player exhibits any COVID-19 symptoms or tests positive for COVID-19.

All athletes and parents/guardians will be asked to sign a liability waiver at registration.
