Champagne Brunch September 11, 2011 Noon-3pm

We have a chairperson! Thank you to Victoria Canning for stepping up!

The festivities start at Municipal Park with our new and seasoned club members. There will be the opportunity to sign up for upcoming ski trips and events, and of course, enjoying the delicious brunch and drinks. Raffle tickets will be available to purchase for a chance to win a ski pass and/or an awesome Bogus Basin revamped chairlift that would be a great addition to anyone's yard. It is a win-win all the way around!

**** PRE-REGISTRATION/PRE-PAYING STRONGLY RECOMMENDED****

Last year we had 49 folks pre-register/pre-pay, over 100 folks showed up! It was a great turnout, but food and drinks came up a bit short.

PLEASE, PLEASE, at least pre-register so we are able to have an accurate count, you can pay at the Brunch. We don't want anyone to go away hungry or thirsty! Thanks for planning ahead.

Reminder: If you show up later than 2 p.m., most likely there will be no food or drinks left, so please be on time if possible.

Pre-register and for more information, contact Victoria Canning, Chairperson: (victoriac3@tmo.blackberry.net) 832-877-3600 or Paul Markowitz: (pmarkowitz@cableone.net) 208-362-5790. Or send in your check made out to Bogus Basin Ski Club, P.O. Box 973, Boise, ID 83701. Please indicate that it is for the Champagne Brunch.

Stay Tuned!

As the summer winds down most people slow down, but not us. The members of the Bogus Basin Ski Club get a lot more active in the fall and winter. Be sure to check out our calendar and see what activities are scheduled for the upcoming months.

We have in September the Champagne Brunch - September 11, Blood Drive - September 12-16, Shakespeare Night - September 17, Boise State tailgate party - September 24. For more information on our Boise State tailgate parties, see page 7. October starts out with a Boise State tailgate party - October 1, Octoberfest - October 14, Greenwood's Anniversary - October 15, Boise State tailgate party - October 22, McU Sports Promotion - October 29. Brush Cutting at Bogus Basin Resort will be scheduled sometime in October, check with Larry Crockett at 344-0179 for particulars.

We send out Constant Contact e-mail messages from time to time to update you on our on-going activities. We try to limit these as we are all inundated with e-mail. If you have not received them and would like to, be sure to contact Ruby at communications@bogusbasinskiclub.org.

We are a social club but we do public service projects too. If we are not going in the direction you would like to see us go, let us know. We are always open to new ideas - it is our desire to help make this valley one of the best places to live ever. We are proud of the efforts of the Club members. They work long and hard to make it what it is.

We would like to make a special recognition of Kayla Bovey who is the graphic designer of *The Mogul*. We won a First Place Award from the FWSA (Far West Ski Association) for Outstanding Newsletter Club 2011, Class AA.

Kayla Bovey, The Mogul's graphic designer, and Michael Bouton, ski club member and former BBSC communications director, with the first place award for outstanding newsletter.

2011 Ski Swap

by Jane Gabbert

Even though the temperatures are still warm I am looking ahead to the annual ski swap. It will be here before we know it. This year it will be held on the first full weekend of November – November 4, 5 and 6 with equipment check in beginning on Thursday afternoon, November 3.

As usual, I am looking for volunteers to work the Bogus Basin Ski Club booth for a minimum of two hours. One of the benefits of working the booth is free admittance to the swap along with a friendly place to hang out and visit when you get tired of shopping! This is another great way for newer members to become familiar with some of the activities and workings of the Club. New members will be scheduled with nurturing, seasoned members to show them the ropes, so don't be nervous! Plus, it is very easy duty! In addition, I will need someone with a pickup truck to haul tables, display, etc from the storage unit on Friday and back again on Sunday.

For more information or to sign up please call me at 362-3627 and I will put you on the schedule. Leave a message and I will do my best to accommodate the times you want on a first come, first served basis.

Sign up early and get your pick of the choice times!

Come on Down for the Tailgate Party!

Upcoming Ski Trips

by Jeff Day

The football season is finally here. Come join in the pregame fun with new and old club members at **Bronco Stadium parking lot #113**, along University across from Jacksons Foods. Just look for the club's 12' wind blade. The grill is usually going 2 hours before game time and there will be some tasty items for you to enjoy. The club does this on a contribution basis so please bring your own side dish like a salad or appetizer to add to the fare.

The first home game is September 24, our president's birthday. To celebrate we're cooking up tri-tip beef sandwiches, hamburgers, and famous Cloverdale hot dogs. We might even have a cake that will be blazing with all the candles. You gotta come down and celebrate even if you're not going into the game. Enjoy it with the tailgate bunch through half time of the game.

Volunteers are needed to sell raffle tickets and help with the setup and take down. You'll get to meet some new and fun people and maybe make them a member of the club. This is one of those club benefits you'll want to take advantage of. I hope to see you there.

Our trips are an affordable and convenient way to ski other resorts. We usually take buses or fly when necessary. At this time, there are two trips in the works for next ski season. There may be more but scheduling ski trips in the summer is often difficult since most ski resorts are closed for the summer. The following trips will be presented at the next board meeting for approval in September. Plan to attend the Champagne Brunch on September 11 for more details.

Sun Valley, Idaho

Ski Baldy January 13-15, 2012. It has been a couple of years since the Club has sponsored a trip to Sun Valley so plans are being made to firm up this event in January. Plans include staying at the condos behind the lodge, a gondola ride up the mountain with "First Tracks" on Saturday, dinner, hot tub rally and great camaraderie. This trip is being coordinated by Michael Bouton call him at 703-0444 for further information.

Schweitzer Mountain Resort - Sandpoint, Idaho

It has been many years since the Club has sponsored a trip to Schweitzer Mountain. This resort is located just 90 miles from Spokane International airport and just 11 miles from Sandpoint. Standing at the top elevation of 6,400 you will be awed with magnificent views of Lake Pend Oreille and the surrounding three mountain ranges from three states and Canada. The dates being proposed are February 22 through February 26. Coordinators are Gloria and Carl Geelyne, Call Gloria at 571-2179 for more information.

Fine food, fresh ales and good friends

Highlands Hollow Brewhouse is one of those unique places tucked away in a quiet neighborhood where everybody loves to go. It's located on the road to Bogus Basin and is a favorite place to meet for skiers, cyclists and hikers alike.

Come in Monday - Friday for our "Hoppy Meal". Buy any food item for \$5.95 or more and get your first ale for \$1.50. Happy hour everyday from 3-6pm, along with live music on Wednesdays from 6-9pm. Open 7 days a week with deck seating during the warmer months.

Annual Club Campout Review

by Bonnie Rice

What a great time everybody had at the Club's annual campout at SISCRA on July 22-24. There were 43 folks camping for the weekend, with 51 folks attending the Saturday night dinner, and what a dinner it was!

Folks started arriving Thursday afternoon to get things started. Come Friday, the rest of the campers started arriving and setting up camp. Chef Dave Kopet, his wife, Ranae and co-chef Ted Bonner and his wife, Pam, got Big Bertha fired up Friday evening for some good ole hot dogs, potato salad, baked beans and desserts. After everything was cleaned up, it was time for "Big Jim" to stoke up the big campfire, and got it going he did. Everyone started getting their chairs around the campfire to settle in for some great music from our resident musician, Patrick Rice, (my honey) whoo, whoo! Ranae even sang some harmony, and a mighty fine job too!

Saturday and Sunday, Tyler had his boat out on the lake for rides, and skiing if you were of mind to give it a go. I hear Pam actually got up this year, way to go Pam! Also, one of our first time attendees, Donna, had a go at it too. Other folks went for bike rides, hikes, canoeing, or just relaxed and visited around the campsite, with a little partaking in your favorite beverage. This group partaking?

Saturday night's dinner was a feast, with half chickens seasoned to perfection, corn on the cob, side dishes, and of course, dessert, including rum cake! Our Chefs out did themselves, good job guys!

Then it was time for another great campfire, so Big Jim was on again. Pat had some "back-up" singers for Saturday's music,

The "Rice-etts"! Ranae, Rosie, Kerry, Janice and Pam did a great job. Dave led us in a impromptu sing-a-long of "If Your Happy and You Know It, Clap Your Hands" and we even tried a round of "Row, Row, Row Your Boat", we couldn't seem to get the boat off, but it was fun trying. We had dancers dancing around the campfire and Kerry had the kids doing the jitterbug and having a fun time. Then it was time for s'mores, what is a campout with s'mores?

Everybody pitched in for our morning breakfasts and clean up. Nothing like a good hearty breakfast when you are camping. Thanks to all who helped!

We had some first timers and some little folks join us this year. Cliff and Jeannie Sell had their three granddaughters. Bruce and Chris Wethered (brothers) with their adorable mother Arlene, Karen Niskanen (their sister from Sweden) and her daughter, Liljia, also shared in the fun. Fran Archibald and her sister, Dorothy, were there with their big fifth wheel, what a sight watching these ladies get that set up, wow! Some more first timers were Michael and Christine Lodes and their son Adam. I do believe Adam had fun sitting around the Saturday night "after music" campsite listening to all the "oldsters" gabbing. Donna Schuyler and Roger Finch also joined us for the first time. It was great to have some many newbies show up this year. We would love to hear from those folks about their experience at the campout.

Overall, it was a great weekend and I think everybody had a great time. Thanks to all who joined us this year and helped out, and we will look forward to seeing you again next year for another great campout!

Weiser River Bike Trail Ride Review

by Nancy Cenell and Ruby Andridge

For the last three years there has been a special memory during the club's Weiser River bike trip. The first year it was the long grueling ride across the flats all the way into Council, about 28 miles. The second year the trip was shortened to Fruitvale. This year the memory that will stay with us is the big thunder and down pouring rain that cut loose just after we finished dinner. The timing of that storm could not have been better as 28 of us dove for cover, some faster than others. The special memory is not the storm itself but the two diehards who did not need to seek shelter Natalie Angel and Sheldon Bluestein proved their true grit. They stayed put in the rain, claiming to love everything about the great outdoors.

Many more memories were made by the 25 bikers who pedaled the 16 miles from the Pineridge Bar on to Fruitvale. After we arrived at the Fruitvale store, we all sat down on the benches and had cold beverages. We were surprised when the owner came out and told us that this was no longer a store but a private residence. However, they were nice enough to let us stay there until all of our bikes were ready to transport. Many stories were shared while enjoying a cold beer at the bar and later feasting at the BBQ potluck dinner. We also hope fine memories of this event were made by the eight non-members who joined our ride this year. Jane Walker extended an invitation to her cycling group and we were pleased to have several of her friends

join us. Dan Arnhols also recruited Mark from Virginia to pedal with us. We cannot thank John and Dee Lillehaugh from McCall, enough for all their help in the transportation of our bikes. They have been on duty for the last three years. We couldn't do this without them. It is the joint effort of people like them who make this such a special club.

Top: Natalie Angel and Sheldon Bluestein enjoy a thorough soaking.

Bottom: The bikers take a break in Fruitvale.

A Glimpse at Winter 2011/2012

by Greenwood's Ski Haus

It's hard to believe summer is on the way out, leaves will be changing color soon and we'll have snow on the hills before you know it. Yippee! We just can't wait for ski season!

Greenwood's Ski Haus is open for the season and we'd love to show you all the new gear we've received so far. Just to whet your appetite, here is what you can expect to see in the ski world this season.

Skis

As many of you discovered last year, it is ideal to have both an all-around ski and a soft snow ski. This will allow you to choose the perfect ski for whatever conditions you run into and to have the most fun possible!

Ladies, you have been asking for it for several years, so **Armada** created the "Venus JJ". The "Venus" is built on the same platform as the incredibly popular "JJ"-the ultimate soft snow ski.

For those looking for more of an all mountain ski shape, **Rossignol** has released the "S3" and "S3W" with waist widths of 98mm and 96mm respectively.

...we'll have snow on the hills before you know it. Yippee!

With tip and tail rocker, the S3/S3W offer versatility to ski the whole mountain with ease. **Blizzard** has a new ski, the "Bodacious", incorporating Flip Core technology and a 98mm waist. This ski is going to be a favorite ski for all-around skiing at our local areas.

Boots

We would like to welcome two new boot lines to our product family here at Greenwoods. The first is the new **Conform'able** custom boot. It is offered in two different shell shapes, the "C-X3" and the "C-Impact", with the choice of either a silicone foam injected liner or an EVA heat molded liner.

Lange is doing some amazing things with ski boots and they are following the fit philosophy that we believe in. This is a

new era for Lange and we are proud to now be a part of it with several models for both men and women.

Bindings

Yes, we said it last year but it bears repeating-"Marker Has Done It Again!" We have fallen in love with **Marker** bindings because of their exceptional performance and we are offering several models of alpine and AT bindings from this progressive company.

Salomon continues their offering of the STH Driver series of bindings. They provide great performance and look amazing!

Rossignol continues to build impressive bindings and has added some great new colors to their line for this season.

Goggles

Goggles with easily interchangeable lenses took the snow world by storm last year-no pun intended! **Smith** continues to offer the popular "I/O" and "I/OS" models with two lens color choices and a smooth system for switching them out.

This year **Oakley** has created the "Airbrake" with a bright light lens and a lens for darker days. The "Airbrake" is incredibly easy to switch out with just a flick of the locking latch.

Helmets

Giro, **Smith**, and **POC** are once again offering designs with exceptional fit, function, and fashion. Each of these companies offer a speaker system to fit most models so you can slide to your favorite tunes!

Outerwear

Color - Pretty much anything goes! Colors range from the classics (red, yellow, blue and any shade of green) to bright jewel tones of turquoise, pinks and purples for you gals. White seems to be the "go to" color that all manufacturers

work around. Neutrals, orange and nearly florescent tones complete the palette.

Prints - Patterns, prints, textures and plaids are still popular especially when paired with solid or color blocked pieces.

Trims - Color contrasting zippers, piping, buttons and perforated trims accent both jackets and pants.

After a short hiatus from the US skiwear market, **Phenix** has returned and we are happy to have this quality, great fitting brand available at Greenwood's once again. If you've skied for many years you are probably familiar with the name **Powderhorn** and Greenwood's is looking forward to showing you this updated and technical line of skiwear for men and women. Another new brand to the Ski Haus this winter will be **O'Neill**. O'Neill appeals to the young at heart with bold color combinations and patterns. Moderate price points make O'Neill a great choice for growing kids.

Stop by Greenwood's Ski Haus, grab a cup of coffee, and check out all the new goodies! We always enjoy chatting about all the new gear and the season ahead. We hope to see you in the Ski Haus soon!

Bogus Faithful Support "3" Campaign

Hundreds of people gathered at Bogus Basin to help support the Superior Summer Campaign—it's YOUR non-profit recreation area's effort to raise money to replace the old, 1960s era Superior Chairlift—also referred to as chairlift #3.

Participants enjoyed free burgers and beverages. Bogus managers updated the crowd on the replacement project—which after a very wet spring is now on schedule. Terminal foundations are complete and crews are currently pouring tower concrete as part of the project. To contribute to the Chair 3 campaign, call 208-332-5100 (press 1 during the auto attendant greeting).

Managers also explained the "donor pass program," where contributors get an upgrade of a specially colored background on their already-purchased season pass (black, blue or green, dependent upon the amount of the donation). At the end of the evening all those who attended were invited to form what Bogus Basin believes is the "world's largest human '3'" to underscore support of replacing the #3 chairlift, Superior.
