

PROUDLY SUPPORTING YOUTH BASKETBALL SINCE 1978

CONEJO

**CYBA Team Shirt Sponsor
Winter 2025-26**

We provide a means of wholesome basketball recreation for youths in the Conejo Valley. All our directors, coaches, and staff are volunteers, and we are a non-profit organization. CYBA is passionately committed to serving and providing an environment for the youth of our community to play, grow and enjoy the game of basketball. The league consists of about six hundred boys and girls in Kindergarten through 8th grade, playing in the intramural winter league (December thru March) as well as the Spring League (April thru June). There are over 70 teams in 8 divisions.

Each year, the Conejo Youth Basketball Association relies on sponsorships and donations to help make our league affordable for all our families in the community. Sponsorships will go to CYBA programs, jerseys, sweatshirts, equipment, scholarships, and endeavors throughout the community, including the improvement of our practice facilities.
