

Together with the Hingham Board of Health, Pilgrim Skating Arena, Inc. will be implementing a temporary **No Spectator Policy** for all players age Squirt and above. For Mite Age players 1 parent/guardian (no children) per player is permitted. This policy will be strictly enforced. Each team will be allowed 2 coaches and 2 adult team managers (4 adults total) in the building, to monitor the players and ensure they are social distancing and abiding by all guidelines/protocol.

We will be closely working with and monitoring the Hingham Board of Health guidelines and re-evaluating the spectator policy on a weekly basis. Please understand that our goal is to keep all players, coaches and families safe and to enable the children to continue to play hockey. Additionally, **please ensure that all players and coaches are strictly adhering to the State Mandated guidelines. Listed below are some of the guidelines**

Thank you in advance for your cooperation and understanding! We will be re-evaluating the spectator policy weekly.

Players & Coaches:

- On players benches, players must sit in designated marked areas 6 feet apart and wear masks
- Players must always wear face coverings when entering building, in locker room, dressing and undressing, on the players bench and when leaving the building
- Coaches must wear face coverings at all times
- Centers and wingers must wear face covering during faceoffs
- Venues where there are 2 rows, players must evenly divide between front and back benches.
- Venues where extended benches are provided, 4-6 players can use extended area depending on total number of players.
- May not arrive more than 15 minutes prior to faceoff and must leave immediately after end of game (5 minutes)
- All players must remain in locker room or skate tying area until the buzzer sounds for them to take the ice for warmups.
- No body checking
- Only 1 player allowed at a time in penalty box

Locker Rooms, Untying Areas:

- Players are to come to the rink dressed. Skates, gloves and helmets can be put on in the facility
- Locker rooms are only open per request and for social distancing and the safety of the players
- Locker rooms are limited to 50% occupancy (6-8 players) social distancing
- Coaches please ensure that your players are following the proper plan and guidelines.
- Showers are not permitted

Failure to abide by these rules may result in suspension by the Board of Health
