

# BLYBA COVID WAIVER

All Board Members, Coaches, Players and Volunteers will be required to wear a mask/face covering upon entering the building and traveling in hallways and between spaces, but may remove the face covering while playing. The mask/face covering must be used upon leaving the building as well.

## General Guidelines:

- Parents/caregivers are encouraged to drop off and pick up their child(ren) outside.
- Parents/caregivers should not attend or watch practices. Your presence would affect pod ratio and allow less children to participate.
- All players and volunteers are asked to do a personal health screening at home before arriving at the School.
  - If a player participating in BLYBA is exhibiting COVID-19 symptoms of illness, (i.e new onset/worsening cough, shortness of breath, fever of 100.0 F or greater, chills, muscle pain, sore throat, headache, new loss of taste/smell, diarrhea, nausea and vomiting) they will not be allowed to enter the building and are asked to stay home.
  - If a player is exhibiting symptoms of COVID they should not return to the basketball until symptoms have resolved nor should they access any schools if they are or a close household member is awaiting COVID testing results.
  - If a player is being excluded from school due to COVID symptoms, they should not return to the basketball until they are able to return to school.
- All non-participants will be required to wear masks at all times.
- The School will allow pods of 25 or fewer per court.
- Practice social distancing of 6 feet as much as possible.
- Attendance of players and volunteers will be taken and saved.

## Things to Bring:

- Players should bring their **own basketball** if they have one available.
- Players are asked to bring your **own water bottle**.

I have read the above with and to my player/child and understand all guidelines. If my child(ren) is/are experiencing any symptoms above, I will not send my child to the school and/or attend any basketball events.
