

Click the Public Club Assignment Link provided to you by your Club Director following tryouts.

1) Login to your SportsEngine account. If you don't have a SportsEngine account already, create a new one **AS THE PARENT**. This is a very important step as your athlete is not allowed to purchase a membership under the age of 18 and you will not be able to complete the membership purchase process.

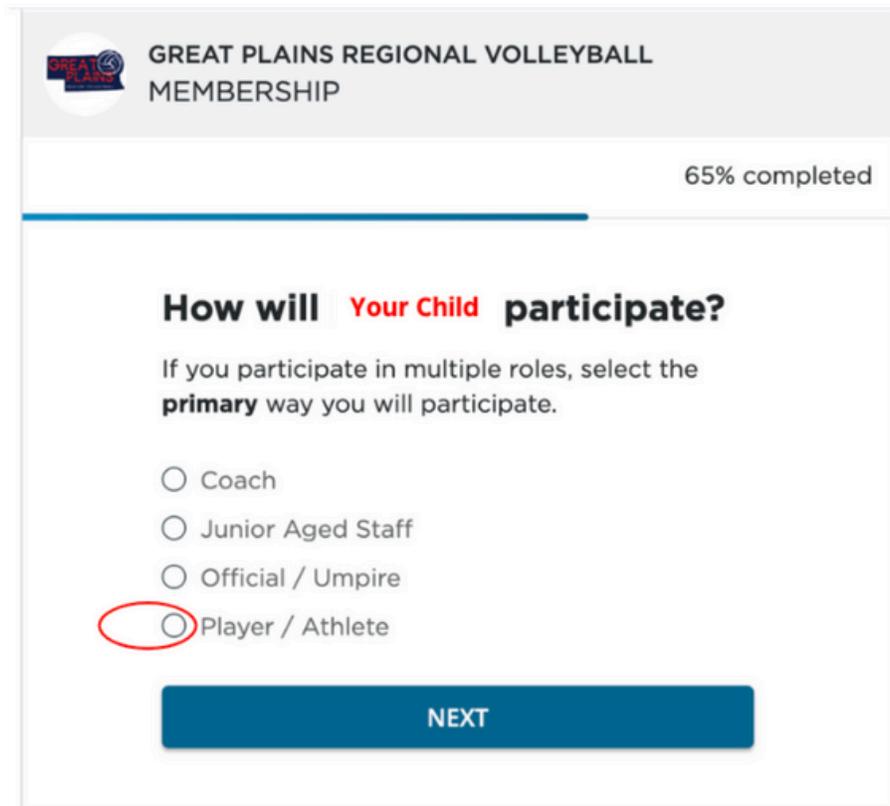

The screenshot shows the SportsEngine login interface. At the top is the SportsEngine logo. Below it is a "Sign In" section with a text input field labeled "Enter Email or Phone" and a blue "CONTINUE" button. Below the button is a link that says "Don't have an account? CREATE ACCOUNT".

2) Select who the membership is for. This will be a "child" profile. If your child does not have a profile set up, click the "add new child" button.

The screenshot shows the SportsEngine membership selection screen. At the top left is the "se" logo and at the top right is a "0%" progress indicator. The main heading is "Welcome Back, Lindsey!" followed by "Who's this Membership for?". There are two selection options: "P PARENT" and "C CHILD". Below these is a section for "Child Profiles" with a button that says "Add new child".

3) Choose how your child will participate. You will select the "player / athlete" option.
