

PCSL & FC CENTRAL ILLINOIS BOARD MINUTES

Attendees: Kirt McReynolds, Michael Matkovich, Ashley Strupek, Tracy Freeman, Tristan Alvarez, Natalie Freeman, Matt Frank, John Lambert, Joe Morelli, Harmony Talsma, and CJ Warne.

Meeting Details: November 13th at 8:00pm via Microsoft Teams

Call to Order

- Kirt McReynolds called the meeting to order at 8:04pm.

Approval of Minutes from October Meeting

- John Lambert moved the motion to approve the October meeting minutes.
 - Ashley Strupek seconded the motion, and the motion passed 5-0.

FCCI Update

- Wrapped up the tournament 167 teams which is the largest one we have had. It went very well and had more local teams that participated. Fall is wrapped up and started winter training.
- High school boys' tryouts just completed with 93 players coming out. We have grown since previous numbers so letters have been sent out so waiting to see acceptance from all of those.
- Huge kudos to the staff for boosting up the numbers for the organization of both the fall tournament and players.
- Uniform sponsorship is being investigated and the possibility of moving away from Adidas, so staff are looking into that.

PCSL Update

- 51 signed up since the middle of October for wait list. Still putting new teams together but looking at four new teams so should be higher than the fall hopefully.
- Winter clinic is looking at 76 players. Going to email out again to try to see if we can get more players for winter.

CIU Update

- Fall has been fairly successful. High school boys were in their high school season so just focused on the younger ages and high school girls. Numbers are growing and moving in a good direction.

Facilities Update

- Eastview Fields – waiting to hear back from Doug to have a meeting set up with them.
- Sale Barn – The parking lot is complete and looking great. Equipment has been put away in the shed and ready for winter. Kirt is setting up a meeting with Jim to discuss more about field changes.
- Game Time Gym – rentals have increased, which has helped. The staff are looking into painting the walls with our logos, so they are looking into costs and designs for that.

Committee Updates

- Fundraising – brought up to the group about sending out a survey to families to get their input. Harmony came up with a ton of ideas to start fundraising. She shared her ideas with the group via email. Dine to Donates has been put into motion so she is trying to get an idea on other ideas too.
- Sponsorship – Joe put together a sponsorship package to be able to give out to businesses to see if they want to sponsor. Tracy and Natalie gave a lot of information to Joe so he could look it over. Raffle is moving along and will occur in February.
- Technology – No major updates but did connect with Kirt and Ashley to discuss how to collect data and software that we are currently using and make it easier for all to do their jobs.

New Business

- No board meetings for December and January. We will pick back up in February for a virtual meeting.

Adjournment

- Kirt McReynolds adjourned the meeting at 9:00pm.
