State Wrestling Tournament Profiles

Jim Douglas, highly successful Coleman high school wrestling coach who has produced state championship teams in three of the past four seasons, is a graduate of Purdue University with a B.A. in Agriculture. He received a Master of Science degree from Ohio State, and while in college participated in both wrestling and track.

Douglas

He was working with the United States Department of Agriculture in the Bureau of Animal Industry at the University of Maryland when he became the school's first wrestling coach in the 1940 and 1941 seasons, posting a two year dual meet record of 14-5.

This is his eighth season at Coleman High School, where he inaugurated wrestling on an interscholastic basis in the 1955-56 season. The Cougars failed to score a point in their first state meet in 1956, then moved up to 8th in 1957, 5th in 1958, 2nd in 1959, and gained their first state title in 1960. They were second in 1961, and have reigned as state titlists the past two seasons. In the past six seasons his teams have won 74, lost just two dual meets, both by one point to Luxemburg.

Jim is 51 years old, married, has a son in the armed forces, and a daughter who is currently a junior at Coleman. He teaches chemistry and biology, and in 1959 received the Governor's Award as 'Teacher of the Year' in Wisconsin.

Don Yahr is a native of Shawano, Wisconsin, graduating from high school there in 1947. He attended Stevens Point State College for two years then transferred to the University of Wisconsin where he received a Bachelor of Science degree in Education in 1952.

His coaching career began in 1952 at University of Wisconsin - Milwaukee Extension Division where he coached football, basketball, track and golf. He started his prep coaching career at Prairie du Sac in 1954, serving as football, basketball, track and baseball coach. At Prairie du Sac, he introduced wrestling into the interscholastic athletic program, a sport he also inaugurated at Jefferson and Muskego High Schools.

He moved to Jefferson in 1955, coaching football and basketball. Don has been at Muskego High School since 1959 where he has coached football and wrestling. His 1963 team was state meet runner-up and 180 pound Ken Haacke won Muskego's first individual wrestling title.

Don never wrestled in high school, and credits Wisconsin wrestling coach George Martin with teaching him all he knows about wrestling. His 1963 and 1964

Muskego High School squads won Parkland Conference titles.

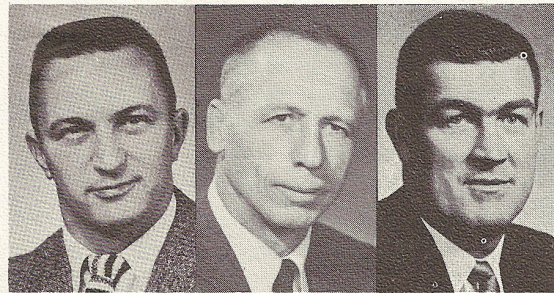

He is married and has three children, two boys and a daughter.

Two of the guiding lights in the growth of the WIAA State High School Wrestling championships have been University of Wisconsin wrestling coach George Martin and WIAA Executive Secretary John Roberts.

Martin, often referred to as the 'Father' of Wisconsin high school wrestling, has played an important part in each of the 20 previous state meets. He has seen the sport in Wisconsin grow rapidly in recent years. George recalls that in the first WIAA sponsored state meet in 1940 less than a dozen schools participated. Now over 250 high schools in the state sponsor the sport, and 93 of them have qualified representatives to this 21st annual meet here in the Wisconsin Fieldhouse this weekend.

John Roberts was a high school wrestling champion in his native state of Iowa, migrating to the Wisconsin campus in 1938 where he played varsity football and won Big Ten wrestling titles in 1941 and 1942. He launched a successful prep coaching career in football and wrestling at Steven Point's P. J. Jacobs High School following graduation from Wisconsin after World War II. His 1949 Stevens Point wrestling team reigned as state champions, while his 1950 and 1951 teams were state meet runners-up.

He coached football and wrestling at Stevens Point State College from 1951 until his appointment as WIAA Executive Secretary in 1957. During his tenure the state high school wrestling program has tripled in the number of schools sponsoring the sport, and the state wrestling tournament has been expanded accordingly to accommodate the large number of boys participating in the sport today.
