**7:00pm**

  - JoAnn Walker has stepped down as treasure. Currently looking for nominations to carry out her term (expires end of Spring 2010). Please see Barbara if you are interested.
  - NTWSA looking for volunteers for a committee to review NTWSA by-laws. Please see Barbara if you are interested. Suggestions will be presented to the NTWSA Board
  - Fall 2009 will probably be a 9 or 8 game season due to the amount of rain received in Dallas. Fields will be closing in November, so trying to get all games in will be nearly impossible. Credit will be given to teams for Spring registration.
    - Captains suggested 30 minutes halves in a tournament style weekend to get all the games made up.
- Tournament Issues
  - Fields were good
  - Prizes were nice
  - Some teams were concern about the timing of the tournament
- Anna talked about the lack of red cards for the season...which was good news to hear.
- Sheri talked about the trying to make up all the games and the problems this presents.
- Meeting was adjourned
