Saturday morning, the sun rose on a football program that produced THREE Division Champions! It was a great day for Championship football at Lewis HS! THANK YOU to all that came out to support our teams!

- 80 National Division Championship: SYC over Vienna, 12-6.
- 115 Central Division Championship: SYC over Manassas, 24-0.
- 130 National Division Championship: SYC over Gainesville, 30-0.
- 155 American Division Championship: Vienna over SYC, 28-24.

While 155A suffered a tough loss to Vienna, they are champions of character and showed remarkable resilience. Quickly getting down 14 points to Vienna, our 155A could have wandered about the field shell-shocked, destined to crumble. Not a chance! 155A brought the fight to the very last minutes of a thrilling game!

CONGRATULATIONS to our four teams that played Saturday, & congratulations to this entire football program! □□□□

'Tis the Season to WIN!

You Can Borrow More Than Books From Your Local Library

Did You Know That Fairfax County Library Lends “Things”?

Fairfax County Public Library (FCPL) has long been known for providing books and, in the last twenty or so years, digital books, digital audiobooks, and streaming videos. The library also has a Library Of Things. Formally known as Realia, a Library of Things (LoT) is a collection of items for loan that expands the boundaries of traditionally defined library materials. A Library of Things fits into the concept of the “sharing economy.” It allows library customers hands on experience with a variety of items or maybe to try something out to decide if it is something they want to own for themselves. See what your can borrow [HERE!](#)
