

2020 SPRING SEASON INFORMATION

In light of the current impacts of COVID-19 in our state, we unfortunately have to make the difficult decision to cancel the Spring season. As a result, here are the options available to our families:

We will send everyone a link to handle requests for one of three options:

1. Apply Spring fees as a **donation** to our non-profit organization
2. Request a **credit** to be applied to the Fall season
3. Request a **reimbursement** back to your family

The link will be active from Friday, April 17 through Friday, May 15. An email will be sent to all registered players when the link is active and ready

NOTE: If you do not indicate your choice by May 15, your registration will automatically be applied as a donation to the Club

Reimbursement & Donation Notes:

Donations: We are a 501(c)(3) organization and we rely heavily on registration dollars to fund our Club. If you are able to apply your Spring registration payment as a donation to the Club, this will help us continue to provide programming to our community in future seasons. *Please note that all donations are tax deductible*

Credit: If you would like to request a future credit, we will create a household discount that will be automatically applied to the Fall season for the player who was actively registered this Spring.

Reimbursement: If you would like to request reimbursement of Spring fees, we will process them as quickly as we can, but please bear in mind:

- We have **over 250** players registered in our Club
 - Reimbursement is a **MANUAL** process
 - So, please be patient - we will take care of every request as quickly as possible

SUSPENSION OF THE TOMAH FC PROGRAM

The TYSA Board has made the tough decision to suspend our Tomah FC Program starting the Fall 2020 season. Our goal has been and always will be to grow the sport in Tomah. We will continue to find coaches that will help players of all skill level improve their skill level, soccer knowledge, and enjoyment of the game.

2020 FALL SEASON INFORMATION

We will be sending information very soon about fall registrations. The registration will begin at the end of May.
