

Soltito Cup 2018 Rules and Regulations

General

This Class 1 tournament is open to all boys' & girls' teams under 2004-2010 from CYSA-S and USYSA National Affiliates. The application deadline is November 16th, 2018. Qualifying applications will be accepted on a first-come first-serve basis. We will be notifying teams by email. The Tournament Committee reserves the right to accept or reject any application. Decisions are final.

Roster

The roster limit is a maximum of eighteen (18) players 2004-2006, a maximum of fourteen (14) players 2007-2008 and twelve (12) players 2009-2010. All players must have a valid laminated Player Pass from their state or national association. A player application (medical form) is also required. Any player without both of these documents will not be allowed to play. All player cards must be 2018/2019.

Game Check-In

Teams must be at their assigned fields at least forty-five (45) minutes before their scheduled game times for check-in. The Team Manager or Coach must check-in at the Field Marshal tent with their player cards, and gamecards. After each game they need to pick up their cards and game cards at the field marshal tent. Referees enter goals scored the half-time score, and the final score of the match. Referees will also record any misconduct (jersey #, first and last name of any player, coach or spectator ejected or cautioned), and return the cards to the Field Marshal. See Misconduct and Yellow Cards. The "No Shin Guard, No Play" rule will be strictly enforced. A player wearing an orthopedic cast or hard brace will not be allowed to play, no exceptions. Also, baseball cleats (those that contain a toe cleat) will not be allowed. All players must have appropriate jerseys, with unique numbers prominently displayed on the backs. The player ID cards of two teams will be collected and verified.

Home Teams

The first team listed on the playing schedules is the designated home team. The teams will sit on one side of the field and the spectators on the opposite side of the field mirroring their respective team. The Home team will have choice of bench. It is the responsibility of each team to monitor their spectator behavior during each game. The home team will provide the game ball. The designated away team will have the privilege of calling the coin toss. If the referee determines there is a conflict in jersey colors of the two teams, the home team is required to change to another color jersey. Any home team required to change to another jersey that fails to provide the means to do so, will be in violation of the rules and forfeit for that game.

Forfeits

Any team that fails to have seven (7) eligible players on the field at the scheduled game time, in appropriate uniform, will forfeit the game. There will be no grace period. The tournament committee will credit a score of 1-to-0 (7 points) to the team that was present, ready to play.

Rules of Play

Games will be played according to FIFA Laws of the Game, except as modified by these Tournament Rules of Competition.

Build Out Line Rules

U9-U10 teams

7v7 teams only

The build out line promotes playing the ball out of the back in a less pressured setting. When the goalkeeper has the ball, either during play (from the opponent) or from a goal kick, the opposing team must move behind the build out line until the ball is put into play. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into play (punting is not allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal. If a goalkeeper punts the ball, an indirect free kick should be awarded to the opposing team from the spot of the offense. If the punt occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred. The build out line will also be used to denote where offside offenses can be called. Players cannot be penalized for an offside offense between the halfway line and the build out line. Players can be penalized for an offside offense between the build out line and goal line.

Heading

Players in 2008-2010 (U9-U11) programs and younger shall not engage in heading

Any player suspected of suffering a head injury may be substituted for evaluation without the substitution counting against the teams' total number of allowed substitutions during the game.

Intentional heading of the ball will result in an Indirect Free Kick (IFK) for the opponent where the offense occurred. If the offense occurs inside the penalty area, the restart (IFK) will be at the penalty area line towards the halfway line perpendicular to where the offense occurred. Non-intentional heading of the ball will result in a drop ball. If the offense occurs inside the penalty area, the restart (drop ball) will be at the penalty area line towards the halfway line perpendicular to where the offense occurred.

Substitutions:

2004-2010 Substitutions may only take place during:

- Own throw-in
- Own player has an injury (Only the injured player may be substituted)
- Own player cautioned 'Yellow Card' (Only the player cautioned may be substituted)
- Any goal kick
- Any kick-off

NO Substitutions:

- Free kick (direct or indirect)
- Corner kick
- Penalty kick

*Yellow cards optional for player receiving yellow card only. (If opposing team substitutes, you may substitute)

Misconduct, Red & Yellow Cards

Coaches are responsible for the conduct of their team (including coaches, players, and spectators) and may be cautioned or ejected for their misconduct. Any player or coach ejected will not be permitted to participate for the remainder of that game and their team's next scheduled game. At the discretion of the tournament committee, ejected players/coaches may be suspended from participation for the remainder of the tournament. The Field Marshal shall immediately report all red cards to the Head Field Marshal and the Tournament Director. The Field Marshal must collect a completed "USYSA Referee's Report" form from the referee for each red card issued. No points will be deducted.

Termination

If the referee terminates the match due to weather, field conditions or misconduct, the Tournament Committee will decide the impact of this termination on the tournament standings.

*It is recognized and understood upon entering the Soltito Cup Tournament that adverse weather is an Act of God. Further, entrance to this tournament requires acceptance of all decisions regarding use of facilities (therefore, potentially, the outcome of competition) by the Tournament Committee as final without objection, appeal or compensation whatsoever. There will be no rescheduling of games.

Refund Policy

You may request a refund up until team acceptances. No exceptions. If the Tournament is cancelled due to Inclement Weather Prior to the Start of Competition, teams will be issued partial refunds as determined by the Tournament Committee, after a reasonable amount has been deducted for incurred tournament costs.

The Soltilo Cup Tournament Committee will accept any protests.

All decisions made by the Soltilo Cup committee are final.
