## SANCTIONS FOR VIOLATIONS

### SANCTIONS FOR VIOLATIONS OF SPORTSMANSHIP CODE OF CONDUCT

Aspects of sanctions for WAYA sportsmanship violations:

- I. Categories of offenses
- II. Types of warnings, penalties & duration
- III. Communication & decision process re: sanctions
- IV. Appeal process once penalties assessed
- V. Training of umpires re: sportsmanship rules and penalties

#### I. Categories of Sportsmanship Offenses - for Coaches, Parents & Players

A. Words/gestures/tone of voice – violations of codes of conduct by Coaches, Parents or Players include:

- Swearing or obscene gestures
- Verbal threats of physical violence
- Gestures indicating threat of physical violence (e.g. punching gesture; neck slit gesture)
- Angry tone of voice with elevated volume (as compared with frustrated tone, which is not a violation). Note: this is clearly subjective and will require Sportsmanship Committee (SC) Consultation.

B. Physical contact - with other players, umpires, other parents & other coaches

- Pushing/shoving
- Grabbing
- Punching
- Kicking
- Bumping during heated argument

C. Breaking of rules, including extent of player participation

- See separate sets of rules for each division within WAYA

#### II. Types of Warnings, Penalties & Duration

A. Warning for all types of offenses except physical contact

- Warning by official, if during game
- Warning by SC Chair, if decided after game
- No warning needed if violation involves physical contact, or if the offense is severe
- If warnings are followed by further violations, range of penalties below applies

B. Request to leave the field - for physical contact and words/gestures/tone of voice offenses

- To be used if official warning is followed by an additional violation during game

## C. Suspend for certain # of games (based on severity of offense)

- To be decided by consultation within SC, followed by final Board decision
- Most first offenses = 1 game suspension
- Severe first offenses = 2-3 games (These include: physical contact, as described above, or unethical behavior, as determined by Sportsmanship Committee based on rules violations for each division.)

## D. Suspended for rest of season

- Next level of penalty for 2nd offenses, after warnings & 1st offense penalties are applied

## E. Serve only as assistant coach for next season

- To be decided by SC consultation, interaction with alleged violator and final Board (BD) decision

## F. One-Year or permanent suspension from league

- Appropriate after all above penalties are applied and if another violation occurs
- May also be applied in severe situations including physical contact, if violator does not acknowledge and apologize for conduct.

### III. Communication & Decision Process re: Sanctions

#### A. Pre-season Communication

- Codes of conduct are required, to all who register, This box is clicked when registering the child, No Refunds Given if Misconduct happens
- Posting on WAYA website
- Distribution to all coaches, with request to return to appropriate WAYA Division head or general coaching coordinator prior to beginning of season

#### B. Notification Methods for Reporting of Violations

- Direct observation by Sportsmanship Committee member or Board member
- Calls/messages/in-person reports from Coaches, Parents or Players

#### C. In-season Decisions

- Quick consultation process within SC when offenses occur
- Initial calls from the field, when alleged offenses occur, go to SC chair
- One SC member "on call" every night of season to consult with SC chair re: offenses when they occur
- If SC chair/on-call SC member have questions about decision - email to all SC members asking for input within 24-48 hours; 2 responses required to serve as adequate input

- After a warning is issued, or after a game suspension, when coach/player/parent returns to the field, one SC member will be present for a minimum of 1-2 games to observe coach/parent/ player in action.

## **D. Communication re: Offenses & Sanctions by Sportsmanship Committee**

- Email first to all alleged violators from SC chair. (Message can be drafted by any SC member.)
- E-messages will include request to discuss violation by phone call within 24 hours as an attempt to understand the situation and hopefully reach a solution involving a lower-level sanction. (Phone calls can be made by any SC member appointed by SC chair, who will then send an e-message summarizing conversation to the rest of SC.)
- Final sanction decisions will be sent to violators via email, again with an offer to discuss by phone if desired.
- Sportsmanship Committee will establish a log of offenses, maintained by the Committee's Secretary, that will track warnings & sanctions issued, to enable accurate assessment of additional sanctions, when necessary.

## **IV. Appeal Process once Penalties Assessed**

- A. Written appeal to Board
- B. At Board's discretion, verbal, in-person appeal to Board for certain more serious offenses
- C. Decision time frames - 1 week (if offenses happen during season, i.e. before playoffs start); 1 day (if offenses happen during playoffs); 1 month (if offenses happen in the last game of the season/playoffs or for any reason go undecided before end of season)

## **V. Training of umpires re: sportsmanship rules and penalties**

- A. Instruct umpires to go over key sportsmanship guidelines with coaches & players before each game
- B. Also instruct umpires to explain key rules and their own style of umpiring to both teams' players and coaches before each game.
- C. SC Chair will ensure that umpire training includes a review of all Sportsmanship Codes of Conduct and of the above Sanctions report.
- D. SC members attending any game may approach umpires for that game to remind them of Codes of Conduct and Sanctions, as appropriate.
- E. Umpires will be instructed to report sportsmanship violations to their supervisor within 24 hours of occurrence, who in turn will be instructed to report them to the SC Chair within 24 hours of notification.
