- Equipment- mat movers have been shipped. Extra velcro needs ordered and the other 4 panel mats need ordered, still need storage space for them. Signs and pom orders are almost complete and orders will be placed asap.
- Need to up the parent volunteer hours for next season. With the 6 hours required that gave us 300 for the season (after taking out all of the programs board members, coaches, etc) and by the end of August we already went through 200 hours.
- Parent showcase is Nov 8th. Jamie will take the lead on this with help from the team parents.
- Posting future board positions (program wide) will change a bit. In order to keep our key positions from turning over at the same time we will move forward with VP and Comp director positions changing in Feb every other year. Assistant Comp Director, Secretary and Treasure will change March of every year. And new positions to the Comp board are Schedule Coordinator and Uniform Coordinator. The new positions will start in December.
