## **Helpful Smartphone Apps:**

Groups: Free app for messaging your teams with reminders.

Teamsnap: Free app for messaging your teams. Also has calendar & personal reminders.

GotSoccer app: Free app that you will need for your virtual cards and for entering game scores.

## **General Information:**

All Teams have an individual GotSoccer account. You will obtain the team account log-in information from Jennifer Azua (listed above).

Player sit-outs for yellow/red cards. Any player serving a sit-out due to issuance of cards MUST attend that game, in street clothes, and sit on the bench with their team. This is a club policy. If a player does not show up to the game they will then have to sit-out and show up in street clothes to an additional game. This is MANDATORY.

You will need to take headshots of all players and upload these into got soccer. Details with screen shots of how to upload photos are listed and included in this manual.

Please make sure all player parents know about our Dropbox to upload game photos. These photos will be used for end of year banquet as well as various marketing materials.

Encourage all players and parents to go and like our Facebook page as we often communicate club information there.

**Game Day Uniform Policy:** All teams always wear black unless there is a color conflict and we are the home team. They must always wear their game shorts, game socks and always have their shirts tucked in. In the month of October all players must wear their pink jersey. If they do not bring their pink jersey they do not play. The team will not change color to accommodate that player.

## COMPETITIVE TEAMS

### General Information:

Prior to being added to the team the player & a parent must complete, in its entirety, a competitive player packet. This packet changes every year and can be given out in hard form or emailed for completion. They must also supply a copy of their birth certificates.

Once the packet is complete, it and the birth certificate needs to be sent to Jennifer Azua. She will upload the player information into your team GotSoccer account.

Once uploaded, you must upload a headshot of the player into the GotSoccer account (details of how to do this, including screen shots, are located in this manual).

Once you are aware of a tournament your team would like to participate in, you can contact Jennifer Azua and she will register your team for you.

It is your responsibility to go to the tournament website and review the paperwork check-in requirements and get your paperwork turned in on time.

Some tournaments have a mandatory manager meeting which you will need to attend.

Most tournaments allow you a maximum of 5 guest player if you so choose. That form can be found on the NTX Soccer website. I have also included a copy of this form in the Appendix A.
