

# 12U GIRLS FACT SHEET

**2026-2027 FEES: \$6,000**

The Milwaukee Jr. Admirals AAA Hockey Program is committed to providing the tools necessary for hockey players to develop and compete at elite levels of competition. We accomplish this thru recruiting the best coaches available and offering a number of programs that develop a player's overall skills. We believe in the total development of our kids both on and off the ice. We require that players understand a code of ethics that ensures respect of authority, a commitment to their dream, and to always remember that education both on and off the ice is always their first priority.
