We will need to define registration deadlines, clinics, and anything else we'd like to have in the ad.

Would need photo releases for any child in the photo ad.

Do it in conjunction with a poster to put in the hockey rink. We could ask Lee about it.

Should we do a one-day clinic over winter break?

Moving forward we will keep the meetings on the scheduled third Sunday of the month. If someone is unable to attend he or she will need to send an email to Scott, Craig, or Kerri with the information they would like shared. We will avoid moving meetings in the future due to the difficulty in getting everyone rescheduled.

For the September meeting we will ask all board members to bring in any BYLC equipment that they may have in their garages, sheds, etc and take inventory. Scott will also bring in the equipment he received from NY.
