- Strategic Planning

1. What do we want to be?

- a. What we are now (this does not appear to be working)
- b. A "city club" that has Cities-Regional teams and we are fine with players leaving our club once they advance to NPL and beyond.
- c. Merge with another club to create a "TFE" model where we have only 1 high level team per age group and our two clubs are feeder clubs. (this would be a 3-5 year goal)

2. Training Space

- a. What do we want vs. what do we need?  
Bobby D presented comprehensive planning model

3. Internal Growth

- a. Rec to Competitive transition
- b. Expansion to Jordan, Belle Plain, etc..

- Elected members held a brief discussion
