

Hatfield Ice Reopening Policies

Updated: June 29th thru August 2nd

With Montgomery County moving into the Green Phase of the PA reopening plan, Hatfield Ice will be reopening to the Public on June 29th, 2020. In an effort to help our customers remain healthy and safe during our period of reopening to the public, Hatfield Ice will be implementing the following rules and regulations throughout the month of July.

CUSTOMER POLICIES

1) Masks: All customers of all ages must wear a mask while in the building and off the ice. The only time you may remove your mask is when entering the ice. Otherwise, your mask must remain on while inside the buildings.

2) Entering Hatfield Ice: All Customers will enter the building through the Main Lobby entrance. Masks must be on before entering the building.

3) Exiting Hatfield Ice: All players & skaters must exit the building through the rink side doors after the conclusion of your ice slot, not thru the lobby. Customers that enter to speak to the front desk may leave through the lobby doors.

4) Hatfield Ice Lobby: There will be no socializing or congregating in the lobby. The purpose is to enter the rink you are scheduled for only.

5) Social Distancing: We expect everyone off the ice to remain 6 feet apart and maintain distance from your peers.

6) Locker Rooms: We will have capacity limits to maintain social distancing. We will be utilizing additional rooms & benches in the rinks for skaters preparing to enter the ice.

7) Parents: We will allow 1 parent per child to help them get their skates tied and prepare to enter the ice. Once the child is ready, parents will be asked to leave the building until the end of the event. We will specify how parents will re-enter and exit the building. We will have [LiveBarn](#) turned on for your convenience.

8) If any customers planning to come to the rink are sick or are showing symptoms of becoming sick, please do not come to the rink.

HATFIELD ICE PROGRAM POLICIES

Note: These policies below are in addition to the customer policies above and pertain to Hatfield Ice run programs ONLY.

1) Program Registration: All customers must register & pay for Hatfield Ice run programs online. We will not be taking in person registration or payments at this time. See link below:

<https://hatfieldice.maxgalaxy.net/Home.aspx>

2) Equipment: All Players & skaters ages 14 & under will need to be pre dressed upon entering the building. Midget 16U & 18U ages will need to dress on their own at the facility while maintaining social distance from others.

STAFF POLICIES & PROCEDURES

- 1) All staff will be required to wear masks inside the building.
- 2) Staff will be temperature checked upon entering the building
- 3) All locker rooms, bathrooms and floors will be cleaned & sanitized after each ice slot concludes and at the end of each day.
- 4) All cleaners & driving staff will be required to wear rubber gloves when either checking in customers or cleaning the building.

These rules are subject to change. If there are changes, we will update and communicate as quick as possible. We understand a lot of this will be new and inconvenient for everyone. Our staff will do their best to adapt to each situation as it is presented.

We appreciate your help and understanding. If you have any questions, please contact us via the information below. We hope to see you soon!
