- Develop and implement practice plans that promote skill development and teamwork
- Teach players proper techniques for hitting, pitching, fielding, and base running
- Lead team meetings to discuss strategies and game plans
- Arrange and lead team practices and games
- Evaluate player performance and provide feedback to players
- Ensure the safety of players during practices and games
- Set schedules for all four Legion teams
- Oversee national and state online registration and corresponding paperwork for players on all four teams
- Coordinate Travel and Lodging for all four teams as needed

## Requirements:

- Prior experience coaching baseball teams at the high school level or higher
- Knowledge of baseball rules, strategies, and techniques
- Strong leadership and communication skills
- Ability to work with players of high school age and various skill levels
- Availability to attend practices and games on evenings and weekends
