

## Overview

During the November Board Meeting, the attendees reviewed key updates across various sports programs, including basketball, softball, and lacrosse. The meeting opened with discussions on basketball equipment, highlighting the need for repairs and raising concerns about basketball tryouts due to a shortage of basketballs. Softball updates included team announcements for travel teams and ongoing field renovations. The board also discussed potential changes in the webmaster role and a possible switch to the Crossbar platform for lacrosse. Miquela Hernandez provided insights into the basketball program's structure and anticipated challenges due to the growth of a competing organization. Action items were assigned to various members, including equipment checks, tax document processing, and budget preparations for the upcoming month.

## Notes

### Basketball and Equipment Updates (00:14 - 04:50)
