

AAHA House/Rec (AZYHL) Travel Hockey

State Tournament Participation Rules

All Arizona state based teams who have participated in the AZYHL leagues and are in 'good standing' are eligible to play and will be included in the AAHA House/Rec (AZYHL) Travel Hockey State Tournament.

As all teams are eligible it has been decided that what advantage there may be, i.e. scheduling, that the teams should be seeded as they finished in league play, i.e. whatever advantage in scheduling there might be should be awarded to the 1st place team in league play.

After some additional discussion it was further decided that accommodations should be made for the teams traveling from out of the greater Phoenix area so as to not have them traveling during the week, where ever that accommodation could reasonable be made.
