

SportsEngine App Info

One of the best things about SportsEngine as a parent is the use of their **FREE** SportsEngine app to follow your team's schedule as well as chat with team members and coaches.

Go to your device app store and search for SportsEngine app:

Download the app in the red box above.

You need a SportsEngine account in order to use this, which is also free. If you need help on creating a SportsEngine account, refer to the other document, "Creating a SportsEngine Account"

When you open the app, it will ask you to sign in:

input the email address tied to your SportsEngine account and click Next.

Enter the password and click the Sign In button.

When you first get in, you may see a screen similar to that above. Click on the magnifying glass in the upper right corner to search for your team.

You will want to search for grade gender Basketball Luverne, ie: 6th grade Girls Basketball Luverne

Click on your team.

You will see a screen similar to this below although it may not look exactly like it.

Click on the yellow star in the upper right corner to make it a Favorite. By making it a Favorite, you will not have to search for the team every time you open the SportsEngine App. It will automatically show up on your landing page, which is the Teams page.

The most important button on this screen (above) will be the Schedule button. When you click on it, you see your team's schedule:

6th Grade Girls
