

2026 Sponsorship Opportunities

The Mahomet Illinois Youth Baseball Club was established as a non-profit in 2022 to provide the youth in our community with an opportunity to play travel baseball. Our mission is to enhance their baseball and leadership skills, foster teamwork, and promote good sportsmanship.

Sponsorships play a vital role in supporting program expenses such as team equipment and tournament participation. Through your partnership, you are contributing to the development of many young athletes as they grow both on and off the field.
