

## Viewing Team Schedules on the SportsEngine App

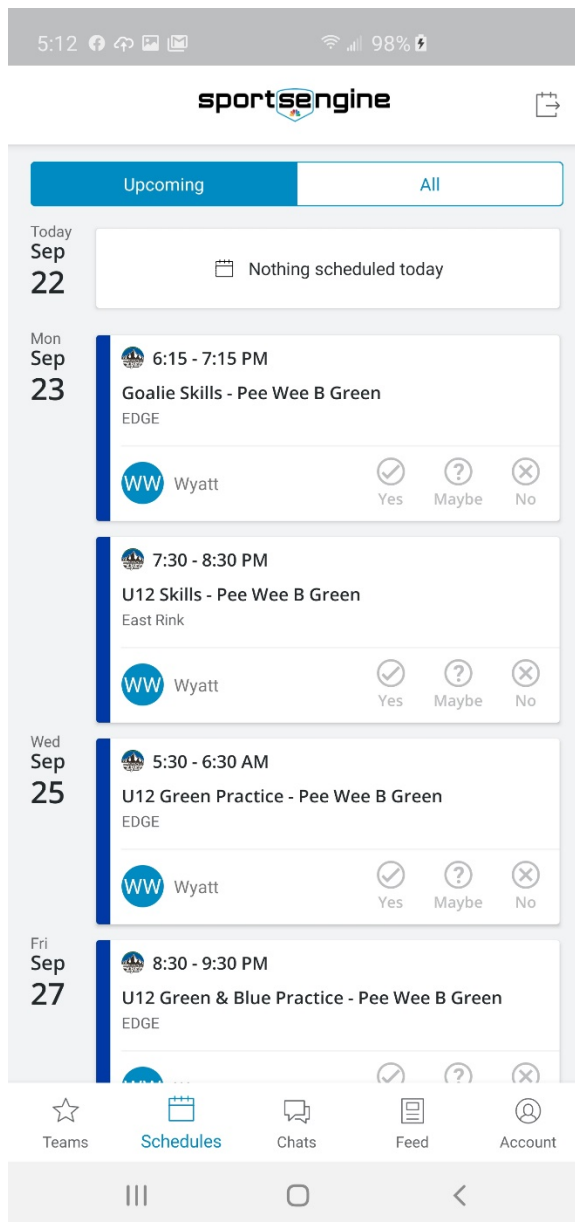

The team schedule/calendar on the FHA website and the SportsEngine App are automatically synced when team events are added or changed. To see schedules on the SportsEngine App, do the following:

1. Once you have [downloaded the SportsEngine App](#) and [followed the team](#) for each of your athletes, click on Schedules at the bottom of the screen.

## Viewing Team Schedules on the SportsEngine App

2. This will display the schedules for all teams that you are currently following in one location.

## Viewing Team Schedules on the SportsEngine App

3. If you have selected a team and are in the Team Center of the SportsEngine App, it will only display the next event. To get to the full schedule, simply click on the Back arrow and it will take you back to the App home page in step #1.
