## Schedule Notes

- The practice schedule will be divided into two modules – “early season” (September through October) and “regular season” (November through March)...
- The Girls U16 team will practice as a team twice a week (**8:00PM** – Monday and Wednesday) until the start of the high school hockey season in late November.
- The Girls U12 team will practice once-a-week on Wednesday nights at **7:00PM**...
- Players who are rostered with the Girls 10 & Under team - and have registered for practice sessions - are eligible to practice at their age appropriate level. Players will be directed by the Board and Level Directors to skate with the team which best fits their current skill level.
- All reservations of open ice will be coordinated through the **MYH Coaches Representative.**
