Old Business

1. Volunteer Positions

We discussed the positions we have and how to use people effectively. The list of volunteers can be found at the bottom of these minutes.

2. 18u Planning Meeting

Meeting is next Wednesday. Mike will clarify with coaches what they are bringing ideas for.

3. Sponsorship Program (Plaques, Pictures and Shirts)

a. Plaques, Pictures and Shirts

- i. We talked about getting pictures done in November/December and ordering plaques then. We can add a volunteer position to help coordinate this. We will do a handout event 6/11 from 5-6pm. Troy and Mike can use someone to help coordinate Sponsorship fundraising.

b. Personnel Update

- i. Scott would like to step away from this committee. We need someone to step-in and replace him.

New Business:

4. Pre-Season Practices

In the past we have done Sunday afternoons after labor day until we have ice. We can do 8u/10u on half ice and 12u on the other half. 14/18 will share the 2nd hour. We will do 2, 1

hour sessions in September and October and then in November we will move to 3 hours so 8/10, 12/14 and 18 for the 3 slots if the numbers look like this would be helpful. We can always cancel the ice time.

5. Coaching assignment email update

An email was sent out 4/25 following the 8u meeting about coaches for next season. There was quite a bit of interest from 8u/10u but we need more people ready to help at the upper ages.

6. Finalize Tournament Dates for Applications

14u-December 12-14

12u-January 9-11
