THE LIGHTS • FEBRUARY 21 • 5:30 PM-8:00 PM

EVENT DETAILS

Players

Come dressed as locker rooms will not be available. Players should arrive 15 minutes before their game time. Limited space will be available in the warming room to put skates on only. No hockey bags are allowed.

Families

Come dressed to watch outdoor hockey with all of your family to cheer on your "Stampede Senior!"

Photo Ops

We have a parent that will be taking candid photos of the events but will save all opportunities for photos to the end of the night.

Video Board Memories

All of the photos you submitted of your player will be scrolling on the video board outdoors on the plaza during the event for everyone to see. If you have not yet submitted your 3-5 photos, please email or text them to Shana Wilson at swilson@westfargohockey.com or 701-707-2160 by Friday, February 4th.

Bar Down

Bar Down will increase their staffing for the event for those of you wishing to eat a meal, have a beverage, and reminisce about the great many years of hockey you all had together! Alcoholic beverages are not allowed in the Essentia Plaza outside of the confines of the Bar Down patio.

Weather Policy

If weather may impact the night's events, we will be moving it inside to West Fargo Sports Arena with a slight time change and will make that announcement if needed.
